

Giaudrone Middle School

CLASSROOM SUPPLIES

In an attempt to make life easier for parents and students we are asking for an annual onetime fee of \$20. This money will cover binders, paper, pencils, pens, dividers, scissors, organizers, folders, etc. This will reduce the need to shop several stores for supplies that can add up to \$30 or more. It also will save time, gas, energy and hassle. Last, this is a positive step towards reducing waste, saving energy and lowering costs.

Materials will be distributed during their daily Advisory Homeroom only.
