Participation Election
(Check only one box)

Election to Participate
I hereby elect to contribute to the Plan. I have received written information on the plan, and I understand the general requirements, including the before tax contribution election. I understand that I must elect the amount of my compensation to be contributed to the Plan, and I understand that I can make before tax contributions up to the current IRS dollar limits on elective deferrals. I further understand that this election will automatically apply to all future salary adjustments unless I amend the election:

Enter salary deferral (pretax) contribution amount: \$ _____ per pay period.

Election Not to Participate
I elect **not to** contribute to the Plan. This election will not prohibit any future election on my part to contribute to the plan.
