

Resources on the Instructional Technology Website

Have you explored the resources available on the Instructional Technology website? We add information regularly, so frequent visits are encouraged. Here are some items you might want to explore:

- SMART Lesson Library – A place to share Notebook lessons with TPS colleagues
- Upcoming Technology PD classes – A quick & easy way to see what we're offering
- New projects such as online trainings in the form of webinars
- Links to other online resources like Atomic Learning and SWIFT manager
- Online Help – Online grades, manuals, tech tips, etc.
- Video Tutorials – Link at the very bottom of the page
- And MORE!

Find us from the district homepage through **Departments and Programs**, through the **Staff** page, or use our shortcut of TPSIT.org
