

Using materials from your school library

With our new Destiny Quest upgrade searching for books that are available in your school library is more productive and creating resource lists is a snap.

Here's how to get to your school library web site:

- Under the "For Students" heading, click on "Library Web Sites"
- Select your school library
- Click on the Catalog tab
- On the left, click on Destiny Quest
- Click on "Begin Your Destiny Quest"

Destiny Quest

Destined for Success

Online Searching for the K-12 Digital Native
When was the last time your students called library software "aweset?" That's what they say about Destiny Quest™, the first library search interface designed to appeal to today's digital native students. Destiny Quest engages students in a visually appealing and highly graphic online searching experience, leveraging Destiny's proven K-12 research strategies to help them easily locate and identify appropriate resources.

Navigating the Internet is second nature to today's students. With Destiny Quest, students apply the web-savvy skills they already know and expand the skills they need to thrive as 21st century learners.

Destiny Quest™ is a K-12 student-friendly searching interface included with Destiny Library Manager™, the comprehensive, award-winning K-12 library automation solution from Follett Software Company.

Type in a word to start a search.

THE TOP 10 BOOKS

New Arrivals!

Top 10 listing highlights the most frequently checked-out titles.

New Arrivals showcase the latest additions to the collection.

Thinking Forward...
Connecting information and resources to support high-performance learning environments.

Follett Software Company

- As you can see there are many options available including a variety of filters and title information (click on the book).
- You may create your own Resource List by entering your topic in the "Find" box.
- On the next screen a collection of books will appear that you can click and drag to the right placing them in "My List" to create your own Resource List.

Highly Graphic, Uniquely Engaging

See up to the first 10 search results on one screen.

View title availability, material type and call number.

Refine the search results by narrowing down the fields by author, subject, series and more.

- Click on “My List” and on the next screen replace with your new list name.
- Select Print Preview, which will display a list of your titles with a brief description. From here you may print, save or view the MLA citation information.

Search Tool for the Digital Native Student

Mouse over a title for more information.

Drag and drop to save titles into “My List.”

Destiny Quest displays title details, which can include any cataloged digital media, educator-approved websites, eBooks and other resources.

Browse the shelf without budging an inch. Click on the scrolling carousel to see related titles to the left or right.
