

Expanded Learning Opportunities (ELO)

# Edison Eagle Center

Spring Session April 8th -May 30th

## Plug into the possibilities

**NEW-Tacoma Art Museum: Morning Sketch Club with Ms. Victoria | Monday & Wednesday | Grades K-5 | 7:30-8:30 AM | CAPACITY:20**

Breakfast Sketch Club is an open-studio art program for elementary students. Students have free choice of a variety of drawing materials and the freedom to express themselves through art in whatever form they choose. A Teaching Artist will teach new art skills and set unique art challenges throughout the year.

**Y.E.S.S.S.S Cooking Program with Mr. Jason | Grades 3-5 | Monday & Wednesday | 3:30-5:30 PM | CAPACITY:15**

THE Y.E.S.S.S.S. PROGRAM stands for The Young Entrepreneurs Structure Sell Systematize and Scale, and it's a program designed to inform and inspire the entrepreneurial heart and soul of our youth. Activities and projects designed to establish salesmanship, training, hands-on culinary exploration and application, video work, interview work, presentation skill development, broadcast proficiency, documentation, and the like.

**NEW INSTRUCTOR-LENS Theater Program with Ms. Mara | Monday only | Grades 3-5 | 3:30-5:30 PM | CAPACITY: 15**

Do you like to explore, express, and create? Then the LENS Project is for you! The LENS Project is a chance to get creative, make friends, and take a closer look at your relationships- all through theater, dance, spoken word, and art!

**Vision Step Team with Ms. Chelsea | GIRLS ONLY | Grades K-5 | Wednesday only | 3:30-5:30 PM | CAPACITY: 20**

Vision Step Team is a young women's empowerment group that focuses on self efficacy, health/nutrition, self love and acceptance and how to navigate the world as a self-sufficient young woman.

**Hodge Podge Dance Crew with Ms. Katie | Grade 3-5 | Monday & Wednesday | 3:30-5:30 PM | CAPACITY:15**

Our returning dance program is back! While developing balance, coordination, gross and fine motor skills, participating students will expand their knowledge of music & the history of dance; gain self confidence in personal identity & expression; and learn the basic foundations needed to create and choreograph artistic pieces that can be showcased throughout the school year.

**LEGO League Jr. with Edison Staff | Wednesdays only | Grades 3-5 | 3:30-5:30 PM | CAPACITY: 20**

FIRST LEGO League Jr. is a noncompetitive, hands-on STEM program. Students build and program a model that moves using LEGO® Education WeDo 2.0. Students on the waitlist from winter will have priority for program selection. See your teacher to apply!

### How do I sign up?

Complete the ELO registration form and bottom portion of this page and turn into the Eagle Center mailbox in the office. If you have already completed a registration form for this year, you will not have to complete another one. If you have any questions, feel free to reach out to Tiffany Lemmon ELO Coordinator at [tlemmon@tacoma.k12.wa.us](mailto:tlemmon@tacoma.k12.wa.us) or call (253) 327-5962.

**\* Please turn in no later than April 1st. First come first-serve basis\***
