Blazer Center Expanded Learning Opportunities (ELO)

Blix Elementary School
Session 4- March 9th- April 24th

ELO Program Descriptions

Sketch Club (2nd-5th) Mondays and Wednesdays from 3:30-5:30pm
Instructor: Tina Moreshi
Explore your inner artist! Tacoma Art Museum provides the art materials – you provide the creativity. Try out new things and learn more about art styles you enjoy!

Filipino Culture (K-5th) Mondays and Wednesdays from 3:30-5:30pm
Instructor: Rose Coggins
Have fun learning about culture through hands-on, interactive lessons. Each week we’ll explore different aspects about the culture including art, language, customs, story-telling, music, dance, and more. *Students are required to be in program on both days!

YMCA Brotherhood & Sisterhood (5th grade) Wednesdays 1:15-1:40pm
Instructors: Anthony Steward & Kamaria Johnston
YMCA Brotherhood and Sisterhood are school-based mentoring programs with values based practices surrounding respect, responsibility, honesty, and caring. In addition to academic support, Brotherhood and Sisterhood programs help youth identify their goals and passions, building their confidence through encouragement and support

Disc NW (K-9th) Mondays and Wednesdays 3:30-5:30pm
Instructor: David Bluhm
Disc NW brings youth together with high quality coaching for an immersive and fun experience. Students develop their skills in Ultimate Frisbee, make new friendships, develop confidence and leadership, and gain a greater understanding of spirit of the game. *Students are required to be in program on both days!

TechBridge Girls (4th-5th) Mondays 3:30-5:30pm
Instructor: Iris Rogers
Open up the World of Science, engineering, and technology to girls with fun, hands-on, minds-on projects!

Volleyball (Not Metro Parks) (4th & 5th) Mondays and Wednesdays 3:30-5:30pm
Instructor: Tony Franco
Learn skills and run drills with Coach Franco as he coaches the fundamentals of Volleyball!

Ready Set Art!! (2nd-5th) Mondays 3:30-5:30pm
Instructor: Tyeisha Sanders
Ready Set Art! Is a curriculum based group that supports students in building skills for relieving stress, self-regulating, developing of self-identity, fostering peer connections, and building healthy relationships. This program utilizes art and recreation as tools for supporting growth.
