VIDEO SURVEILLANCE CAMERAS

The school board authorizes the use of video surveillance cameras on district premises and district operated school buses for the purpose of deterring and reducing vandalism, break ins, and discipline problems, thus providing a safer environment for students and staff. The purpose for recording the transportation environment is to provide school officials, drivers and parents/guardians/custodians with documentation when dealing with inappropriate student behavior in school buses. Disciplinary action for student infractions while riding district operated buses will be in accordance with rules for passengers riding district authorized transportation.
