Dear Families,

We are quickly approaching the end of the school year! We have just a couple of weeks left. As a reminder we end school on June 20th to make up for a teacher training day we had earlier in the year. The Friday before and the 20th will be dismissed at 11:30. We appreciate having our support with these additional training days as they are making a significant difference in our practice.

Just as our teachers need ongoing training and practice, so do our students. Please consider summer learning for your students. We have our 5 week summer program through Eagle Center which will be held July 5th - August 4th. We will have math, language arts, science, financial training and much more enrichment during this time! All students attending will be sent on an excellent field trip every Thursday and receive breakfast and lunch. We believe this program will not only maintain your child’s learning but add to it. If this is not the match for you, we strongly encourage seeking out programs at the STAR center, Metro parks, or the YMCA. Having your child engaged in activities in the summer will really help them with the school routines of the fall.

We are so pleased with how our school year has gone. Discipline is down by 65%. First signs of our SBA test scores show that we are making improvement in learning. We can always do more and want to continue to improve. We welcome feedback on how to do so. Please feel free to contact us at: 253-571-2700. You can also reach us via our website at firstcreekeagles.org.

Have a wonderful summer filled with learning!

**MIDDLE SCHOOL JUMP START**

For all incoming 6th grade students: An increased academic workload and new ideas introduced can make the middle school transition a challenge.

These are important days for incoming middle school students to start developing the skills needed to be successful. In addition to receiving help finding classroom, opening lockers, meeting teachers and navigating the cafeteria; student will learn important learning strategies they can use to start the school year strong!

Don’t let your student miss out. All 6th grade students should plan on attending and are automatically enrolled for Jump Start when they enroll in Middle School. First Creek dates and times are:

- **Date:** August 22 - 25th
- **Time:** 8:30 am - 12:30 pm

Transportation to First Creek will be provided from local elementary schools:

**THANK YOU!**

It is with appreciation and gratitude that we wholeheartedly thank Ed Tuck from T & T Tire at 3711 South Tacoma Way for their generous donation of 35 cases of water for our Field Day on June 15th.

We appreciate their support of our students. A donation of 35 cases of water for our Field Day. We appreciate having our support with these additional training days as they are making a significant difference in our practice.

Just as our teachers need ongoing training and practice, so do our students. Please consider summer learning for your students. We have our 5 week summer program through Eagle Center which will be held July 5th - August 4th. We will have math, language arts, science, financial training and much more enrichment during this time! All students attending will be sent on an excellent field trip every Thursday and receive breakfast and lunch. We believe this program will not only maintain your child’s learning but add to it. If this is not the match for you, we strongly encourage seeking out programs at the STAR center, Metro parks, or the YMCA. Having your child engaged in activities in the summer will really help them with the school routines of the fall.

We are so pleased with how our school year has gone. Discipline is down by 65%. First signs of our SBA test scores show that we are making improvement in learning. We can always do more and want to continue to improve. We welcome feedback on how to do so. Please feel free to contact us at: 253-571-2700.
