**SPRING BREAK COMIC STRIP ASSIGNMENT**

**Directions:** For this assignment you are creating a comic strip about ONE DAY of your Spring Break. Your first comic strip panel (box) should show you waking up and the last should show you going to bed. In between these, you can choose to draw ANYTHING from your day! Use as many panels as you need to show your entire day. The example below has 8 panels, but you can do less or more. You could show what you ate that day, who you interacted with, what activities you engaged in or anything else you did that day. At the bottom of each panel, write in a description of what is happening in each panel.

Use whatever paper, pencils or art materials you have on hand. Do your drawings, add shading or color if you would like, and answer the reflection questions. **Note:** draw your panels (boxes) however you would like, the lines do not need to be straight!

**How to turn in your work:** take a photo of your art, with your NAME, PERIOD, DATE and your response to the reflection questions. Email the photos to me: jdavis6@tacoma.k12.wa.us OR upload the images to TEAMS.

Here is ONE example of what to draw in each panel (box) - but DRAW it how YOU would like!!

<table>
<thead>
<tr>
<th>In this panel you could show yourself getting up in the morning.</th>
<th>In this panel maybe show what the first thing you do when you get up is.</th>
<th>In this panel maybe show what you had for breakfast.</th>
<th>In this panel show me something you did during the morning.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Describe what is happening in each panel in these boxes at the bottom.</td>
<td>In this panel maybe show what you had for dinner and who you ate with.</td>
<td>In this panel maybe show what you do to get ready for bed.</td>
<td>In this last panel show yourself going to sleep at the end of your day.</td>
</tr>
</tbody>
</table>

**Reflection questions:**
1. Why did you choose this day from Spring Break? What made it special?
2. What is your favorite panel in your comic strip? Why is it your favorite?

Stay strong, stay creative! :)}
