Activity Create a comic strip about HOW to do something step by step.

Week 7

Key Content/Modeling
Hello Students! Welcome to our 2nd Comic Strip Challenge!!

This week you are creating a “How To” Comic. The purpose of this comic is to teach someone how to do something that YOU know how to do.

Every box in the comic is a “step” in the process.

Maybe you are really good at cooking something, or throwing a football, or making friends, or playing a video game or mowing the lawn or petting the dog or being in quarantine…there are LIMITLESS ideas. Be unique! Be funny if you want! Be informative!

By now we have been in “Stay home stay safe” for more than 9 weeks- maybe you want to explain something you have learned to do during this time?

You Try
1. CHOOSE ONE IDEA that you want to teach.
2. Aim for about 8 steps/8 boxes.
3. Every box of the comic should be a step in the process. At the bottom of the drawing USE WORDS to explain what is happening. YOU MUST WRITE CLEARLY ☺

Scroll down to page 2 for a simple template or make your own!

Show me what you know (Proof of learning)
Turn in your work: take a photo of your work. Email the photo to me: jdavis6@tacoma.k12.wa.us OR upload the images to TEAMS- if you want to share your work with your classmates, post it in the comments section of Teams ☺

Self-Assessment
