Have you ever seen someone struggle saying the word Puyallup?

Take a look at the map of Washington State. Some of the city names in Washington can only be found here. As you look through our state, write down all the names that you think are either: Salish words or Salish Native Tribe names. As you write down your list, search for the names of some of these cities. You might need to add the words: Native or Salish to see how they are connected.

What did you find out about these cities and tribes?

Try to create another list of unique facts or bits of information from your searches. 10-20 facts.
