Need to see which textbooks, library books, or book fines you still have?

To check what you have checked out, go to the [Foss Library Website](https://www.fosslibrary.org).

Click “Log In” on the top right corner.
Enter your ID# & Password as if signing on to a school computer, then click the “My Info” tab that will appear next to the catalog.

Find details about the books you still need to return to the library or pay for at the office.
