Join us for the kickoff meeting!

**Saturday, March 30th, 10am-12pm**

Eastside Family Support Center (E. Roosevelt and E. Gregory)

- Connecting community to the land
- Develop community identity
- Different generations learning from each other
- A place to grow traditional food & medicine
- Opportunity to engage with neighbors
- Improve mental health and relaxation

Several acres between Grandview & Roosevelt are being reclaimed by neighboring communities. Together, we will transform it into a collaborative green space where communities can connect and learn from each other and the land. There’s a place for everyone to turn this vision into a reality. Get involved today!

Want to join us? For inquiries please call (253)845-9770 or email info@harvestpiercecounty.org.
