What do I do if I want to visit my child's classroom?

Teachers must have 24 hours prior notice for a classroom visit. Parents must check in with the front office to obtain a visitor pass.

What do I do if I want to bring items to celebrate my child's birthday or another special occasion?

Contact your child's teacher two days in advance to schedule a time. Items must be pre-packaged from a store. Please do not bring invitations for off-campus celebrations during school time. It causes other students to feel left out. NO BALLOONS WILL BE ALLOWED.
