

Meeker Middle School Dress Code

Our Meeker dress code standards are to help students focus on learning. All clothing must be neat in appearance, in good repair, and worn appropriately. The fit and/or style of the clothing should not be tight, revealing, or oversized. Undergarments should not be visible.

Students are expected to come to school in attire that meets the Meeker Dress Code. Students who do not comply with the dress code will be required to change into dress code clothing. Meeker policy requires that students remain in dress code while on campus at all times. When dress code is not required, students are expected to come to school and school activities neatly and appropriately dressed.
