Varsity Letter in Community Service Requirements – DUE MAY 15, 2020

NEED SOME KIND OF STATEMENT ABOUT THE IMPORTANCE OF COMMUNITY SERVICE, SOME KIND OF INTRODUCTION. In order to earn the varsity letter in community service, you must meet all of the following requirements.

- **100 hours of unpaid volunteer service completed between June 15 and May 1** of the current school year. Days off from school and district vacation breaks are opportunities to fulfill these hours.
 - ****At least 50 hours must be completed through one local non-profit agency** or for one local cause. No more than 30 hours can be from school related clubs or earned during the summer months. The intention is to ensure understanding and sustain a meaningful commitment to a selected social issue that is personally relevant to the student (e.g. homelessness, elderly, poverty, equity, literacy, faith organizations, environment, health care, justice, and community).
- **Completed Record of Hours form** Documentation of all service hours verified by an adult supervisor at the site or agency. (phone number/email)
- **Focus Issue Reflection Piece** - A short written reflection: Answer the Reflection questions.
- **Additionally**, you may share journal writing, create a video, song, visual art piece, children's book, based on your sustained service with one agency or in one area of need. **See guiding questions in FAQ's.**
- **4 digital photos** of you involved in or doing the service work. The photos will tell the story of your overall work. Please honor the photo policy of the agency.
- **Submit Hours, Reflection and Digital Photos by May 15** of the current school year to the Community Service Coordinator, Debbie Shapiro for verification to receive the Varsity letter.

Students who meet criteria will be awarded their letter at a celebratory school event. Students who earn the letter during their senior year will be honored before graduation.

Varsity Letter Frequently Asked Questions

Who can participate? All SOTA, SAMI & IDEA students in grades 9 – 12.

Varsity Letter Application: Complete your school's Varsity Letter application and submit it with a verified record of your hours served, letters of recommendation, written reflection or MP4 video interview and a digital photo of you doing service when you have completed all requirements.

Where can I volunteer? Visit United Way of Pierce County's website to find current youth volunteer opportunities with area organizations. There are many ways to volunteer in your community through school, faith-based organizations, hospitals, non-profit agencies, nursing homes, and parks.

How are hours spent volunteering on a mission trip, as a camp counselor or on a volunteer vacation counted? Volunteers should count hours actually spent doing service up to 8 hours per day for mission trips, camp counseling or volunteer vacations. If you have documentation proving you have served more than 8 hours, you may submit it for consideration.

Can I count hours from club meetings? If you participate in a school club, youth group, scouts, etc. you may count hours spent at meetings organizing and implementing a service project. Only hours spent planning and participating in a service project will count as community service hours.

What else doesn't count?

- Travel time to and from service activities
- Hours spent sleeping during overnight service trips or events
- Unpaid internships with for-profit organizations and volunteer hours that apply towards another Varsity Letter (i.e., sports team managers, participants in theatre or choir performances)
- Court mandated community service or volunteer service required for a class

How do I record my Community Service Hours? Use the Varsity Letter Record of Volunteer Service [online](#) to track your hours. Students who are also tracking hours for the President's Volunteer Service Award may track their hours online and submit that spreadsheet as well. All volunteer hours recorded must be verified by the organization where service is performed.

You are encouraged to contact Debbie Shapiro dshapir@tacoma.k12.wa.us if you have questions or wish to review your reflection before submitting it.
