Dear Skyline Families:

The school year is quickly coming to a close. At this time 3rd, 4th and 5th grade students are beginning the state testing, planning for end of the year field trips, field day and our school barbeque. We are also beginning to prepare our students for the next grade level. It is an exciting time for them but can also be scary for our 5th graders leaving us for middle school. (We will miss them!) Do all you can to continue regular routines which should include a good nights sleep, a good healthy breakfast, and a good positive attitude.

Susan Goerger, Principal

Field Day Volunteers
We are having our annual Field Day on Tuesday, June 3rd this year. In order to organize Field Day and make the day a success, I am asking for some volunteers to help run stations and monitor children. Volunteers do need to be on the volunteer list in the office (this form is available in the office or online if you are not already on the list.) Field Day has two sessions, the morning session is from about 9:15 until 11:15 and the afternoon session is from about 1:25 until 3:05. If you would like to volunteer for one or both of the sessions, or have any questions, please contact me at 253-571-7780.

Thank you,
Dale Chase

MSP TESTING
♦ Arrive to school on time and avoid absences during the testing dates for your child.
♦ Be sure your child is well rested and has a good balanced breakfast every day, especially on test days.
♦ Teachers will send more information home in their classroom newsletters.

3RD GRADE TESTING SCHEDULE:
Thursday, May 8-Math
Thursday, May 15-Reading

4TH GRADE TESTING SCHEDULE:
Thursday, May 1-Writing
Tuesday, May 6-Writing
Tuesday, May 13-Reading
Friday, May 16-Reading

5TH GRADE TESTING SCHEDULE:
Wednesday, May 14-Reading
Tuesday, May 20-Science
Thursday, May 22-Math

Tacoma School District Climate Survey
Tacoma School District values input from parents, students and staff. The school district believes that a healthy school climate can contribute to the achievement of students. Therefore, the District Climate Survey was designed to gather opinions from our parents, students and staff concerning their perceptions of school climate. The survey covers topics of safety, communication, diversity, student learning and student-led conferences. All surveys are 29 questions and measure the same concepts.

Your input is very important. Your responses are strictly anonymous and you will not be asked to identify yourself at any time during the survey. The survey should take 10 to 20 minutes to complete.

The climate survey can be found on our school website under “Quick Links.”

Thank you, in advance, for taking the time to respond.
Skyline Kindergarten Registration Continues

There’s still time to register your 5 year-old child in Kindergarten (Must be 5 years old by August 31)
Please bring your child’s birth certificate and immunization record

Skyline Science Fair
& Art Walk
