Dear Stadium Tigers,

Welcome to the 2018/2019 school year!

Stadium is the oldest high school in Tacoma. It has been situated in the castle since 1906. The legacy of Stadium has always been a commitment to academic excellence and building students to become future leaders, innovators and global citizens. At Stadium we take a comprehensive approach to exploring diverse subjects and programs that can span introductory classes to advanced programs.

Please use this handbook to guide you through this year. The policies and procedures outlined in the handbook are important to allow all students to grow, thrive and learn within our diverse community.

Here are my top five recommendations for success at Stadium High School:

1) Be curious: make every experience a question by asking why, are there other ways of answering the question.
2) Manage your time: keep track of your day using a planner, phone or individual method.
3) Ask for help: never leave a class without knowing what you were supposed to learn, ask for help and take notes.
4) Make mistakes, but don’t make the same mistake over and over.
5) Every grade counts: every class is under the core 24 graduation requirement which means you must pass every class.

I am excited about your journey in striving to be your best, to do your best and improve your best each day and throughout this year.

Go Tigers,

Kevin Ikeda
Principal
STADIUM STUDENT’S CREED (1931-32)

As a student of Stadium High School,

**I believe** in Stadium High School as an institution founded in the interests of education and functioning in the spirit of democracy.

**I believe** that the spirit of Stadium lives according to the will of the students advised and encouraged by the teachers. Which will is: that we, the students, first maintain a high standard of scholarship; that we show sincere appreciation for all things said or done at all to our advantage; that we wisely apportion our time so that we may enjoy wholesome recreation when we have earned it; that we be sincere in friendship; that our conduct at all times and places be that of respectable young men and women; that we engage whole-heartedly in the activities of Stadium; that we compete only in the attitude of fair play and clean sportsmanship; that self-control become an established characteristic in all that we think, say and do.

**I believe** that by loyalty and cooperation in living up to these ideals and traditions we are making it possible for Stadium to mold men and women whom are thoroughly capable and worthy of inheriting our nation.

“Remember the Other Fellow”

HISTORY OF THE BUILDING

Stadium High School, commonly referred to as the Brown Castle, is the home to over 1600 students. The building was originally intended by its financiers, the Northern Pacific Railroad Company and Tacoma Land Company, to be one of the finest luxury hotels on the Pacific Coast. Construction began in 1891, but due to the railroad’s financial failure, the hotel was never completed and was boarded up for a number of years before it was acquired by the Tacoma School District. In 1906, Tacoma High School, as Stadium was then called, opened its doors to 878 students and 38 teachers. Renamed Stadium High School in 1913, the Brown Castle has been host to many historical figures including: Presidents Teddy Roosevelt, Woodrow Wilson, and Warren Harding, Presidential candidate William Jennings Bryan, World War I hero General John “Black Jack” Pershing and John Phillip Sousa’s band. Being a part of a school with so rich a history (our Brown Castle is a registered historical landmark) is a source of pride for the students, parents, and staff of Stadium High School. The school celebrated its centennial year in 2006 and has been completely modernized. Stadium is also proud of its reputation for excellence in academics and the arts. Participation in extra and co-curricular activities is almost universal among the diverse student population. Community involvement is also an integral part of the school’s reputation. As a Stadium Tiger, you will make a commitment to honor our school’s rich traditions and to work toward preserving its superior reputation.

THE CASTLE: BUILDING ON TRADITION, REACHING FOR THE FUTURE

**Mission Statement:** Stadium High School will provide all members of our community the opportunity to develop their potential and grow intellectually, socially, physically, and psychologically in a safe learning environment.

Athletics

Athletic participation is voluntary and is a privilege. Involvement in the athletic program requires a commitment beyond the school day. All athletic registration and associated forms must be complete BEFORE a student athlete can participate in sports. Athletic forms are available online, however physical exam forms must be in a hard copy format from your doctor and submitted to the Athletic Office. To register online, visit www.tacomaschools.org and find “Athletics” under the “Students” tab.

- Please be mindful that students’ physical exams are valid for 13 months. In no circumstance will a physical be valid for more than 13 months.
- Medical insurance or DSHS medical coverage is a requirement for participating in sports. A Student Insurance Program is available if medical coverage is needed.
- ASB membership ($30) is required to participate in sports and ASB activities and clubs.

Offices and Services

All visitors/guests are required to sign in and obtain a visitor’s badge.

Main Office

The Main Office greets staff, students and guests and provides information for visitors about our school. It is the goal of the Main Office to handle clerical tasks for administrators, staff and students. Any concerns about the facilities or school grounds should be brought to the attention of the Main Office. Services provided by the Main Office include:

- Receiving payment of any type (fines, fees, ASB, yearbooks, etc.)
- Building use requests
- Volunteer coordination
- Dance permission forms

Attendance Office

Attendance is the single-most important factor in determining academic achievement. Please schedule appointments and family vacations outside of the school day.

When a student is absent:

- The parent/guardian emails stadiumattendance@tacoma.k12.wa.us on or before the day of the absence. The email must include the student’s first and last name, the date(s) of the absence, and the reason for the absence.
- If the parent/guardian was unable to email, the student brings a note from a parent/guardian to the Attendance Office following an absence. The note must include the student’s first and last name, the date(s) of the absence, and the reason for the absence.

An absence will be considered unexcused if the parent/guardian does not excuse the absence within two (2) days following the student’s return to school. The Becca process will be followed for unexcused absences.

Early Dismissals

- If a student must leave school during the day for any reason (medical, dental, disciplinary), a dismissal slip must be obtained from the Attendance Office.
- A written request for dismissal, to include both the time and reason for dismissal, is to be presented to the Attendance Secretary before school on the day of the early dismissal.
- If a student becomes ill during the day, an early dismissal slip will be issued by the nurse or the office after contact with the parent/guardian has been made and authorization has been given for the student to leave school early.
- Parents or guardians must provide valid identification prior to the release of a student.

Late Arrivals

- If a student arrives less than 10 minutes late for his/her first class of the day, the student will report directly to class. Students must comply with each teacher’s policy for tardiness.
- If a student arrives to school more than 10 minutes late for his/her first class, he/she will report to the Attendance Office to check in to school. Parent/Guardian should provide a note, with the estimated time of arrival and a valid reason for the late arrival, to submit to the Attendance Secretary for the absence to be excused.
- If a student has been detained by a teacher and will be late to the next class, it is necessary to obtain a hall pass from the teacher who detained the student in order to be excused. If a student is late to class for personal reasons, it is required that the student comply with the teacher’s class rules for tardiness. Passes to class are not given out by the office if a student is tardy to a class.

Students with a Partial Schedule at Stadium

- Students who enroll for late arrival or early dismissal are to arrive no earlier than ten (10) minutes before their first class begins and/or leave campus no later than 10 minutes after their last class ends.
- Students must have written parent/guardian permission before signing up for late arrival and/or early dismissal.
- The school does not provide transportation for late arrival or early dismissal.
Truancy
• Students are truant when they are willfully, and without authorization, absent from class, all or part of the day, or all or part of a class period.
• Failure to check out of school and obtain an Early Dismissal Slip through the Attendance Office before the end of the regularly scheduled day will be considered truancy.
• Consequences, including Becca procedures, and progressive discipline will be implemented for incidents of truancy.

Planned Family Activities
• A parent/guardian may request that a planned family activity be approved by completing a Pre-Arranged Absence form, available in the Attendance Office. Administration must receive the completed form at least three (3) school days before the student's absence.
• If approved, the planned family activity shall be considered an excused absence.
• Approval is at the discretion of the administrator. Approval or denial is on a student-by-student basis, and shall include a fair consideration of the impact of the planned absence on the student’s academic progress.
• Except in extenuating circumstances, the total number of days for excused absences due to planned family activities in a school year shall not exceed five (5) days.

Extended Illness/Absence
• If a student is absent more than five (5) school days due to illness or other health-related issue, a doctor’s note will be required along with the parent/guardian notification.

For any school absence, please email teachers directly and/or check the classroom websites for missed work.

Washington State Attendance Requirements
State law and district policies and regulations require daily and punctual attendance of all students unless officially excused. Parents and students are both responsible for assuring attendance.

Students who have a pattern/history of absences or tardies for personal illness may be required to have a note from a healthcare professional to excuse further absences or tardies due to personal illness.

Becca Bill Attendance Requirements
Under Washington State Law, RCW 28A.225, parents are responsible for their student’s full-time school attendance. Schools must take action to prevent unexcused absences. After one (1) unexcused absence, schools contact parents by letter or phone. After two (2) unexcused absences, the school will schedule a parent conference to discuss solutions. After five (5) unexcused absences within a 30 day period, Stadium and the District’s Enrollment Services Office will file a petition with Juvenile Court. Court action is required if a student has seven (7) unexcused absences in a month or ten (10) in a year. Students with a current court order compelling school attendance on file will have a progress report filed with the courts with only one (1) additional unexcused absence.

Complete District Attendance Policies can be found on the District Website, Policy 3122, Reg. 3122R, RCW 28A.225 or in the Student Rights, Responsibilities & Regulations.

Excused Absence
Parents must provide the school with a valid reason for an absence before it can be excused. The following constitute valid reasons for excused absences according to state law:
• Personal illness, health condition, or medical or dental appointment
• Appearance in court when required by law
• Disciplinary action, i.e., in-school, short-term, or long-term suspension
• Religious observance
• Family emergency, i.e., funeral, death, hospitalization
• School-approved activities, i.e., field trips
• Pre-arranged absence approved by administration
Health Services
The Health Room is available for students who are not well enough to attend class. The Health Room is available for temporary care, and is not intended for long-term care or for issues that can wait until the end of the school day. Students may also visit the Health Room to take pre-arranged medication. The Health Room is open daily during school hours. Students must have a timed and signed pass upon arrival in the Health Room, unless it is during their lunch time. If medical attention is necessary during class time, students must obtain a pass from their teacher before leaving for the Health Room. Students may only visit the Health Room between classes if they have obtained a pass from the teacher whose class they will be attending next. All visitors to the Health Room will be signed in and logged for future reference. If students are too ill to return to class, a parent/guardian will be contacted and arrangements will be made for early dismissal.

Immunizations
All students in Tacoma Public Schools must provide proof of up-to-date immunization records before enrolling.

Medication
District Policy allows only oral medication, specifically prescribed by a physician, to be given at school if there is no other way to schedule the administration of the medication. Medications which are traditionally viewed as over-the-counter products, such as Advil, Tylenol, Claritin, etc. may not be in possession of students at school, and must be dispensed through the Health Room.

The following procedures must be followed if your student needs to take medication at school:
- The medication must be in a container labeled by the pharmacist at the time the prescription was filled.
- Please include only the amount the student will need to take at school.
- Many pharmacists will label two containers, one for home and one for school.
- Each medication must be accompanied by a form.
- It must be signed by the physician indicating the medication, dosage, and the length of time the medications is to be given at school. This form must also be signed by a parent/guardian. Forms are available in the Health Room.
- If the student needs to carry an inhaler on his/her person, the physician must indicate this in writing.

Library
The mission of Stadium High School Library is to continually encourage academic excellence by providing service and instruction to students and staff members, to collaborate with staff in designing learning opportunities with resources, information, and technology which support the curriculum and enhance learning and teaching while promoting life-long reading.

Our library at Stadium High School provides direct services to students in a variety of media areas. The print collection consists of 14,000+ books, 35 magazine subscriptions and 2 daily newspapers. Materials may be checked out with a current Stadium ID card. Most books circulate to students for three weeks. Lost and damaged items are charged to the students.

Freshmen are scheduled for an orientation of the library and introduction to our web-based catalogue, software and subscription databases. The library is open before and after school (7:00 a.m. to 2:30 p.m.) and during lunches when the facility is not booked for a class. Students are required to have passes to come to the library during school hours. Absolutely NO gum, drinks or food are allowed in our library. We adhere to all Stadium rules and policies, i.e. dress code, no hats and no electronic devices.

Our Library has 30 computers in a lab setting complete with AV teaching technology plus 12 Public Access Catalogue computers for research. All technology is restricted to school related work and a discipline plan is in place to ensure appropriate use.

Students and staff are encouraged to use the library and related services.
Transportation

The District Transportation Department publishes a Parent/Guardian Guide to Basic Education Student School Bus Service for the Parent/Guardian of all bus-riding students. This publication is given to the students by their bus driver to take home to parents on the first day of school. Parents/Guardians are required to read and review these procedures with their students. This information is also available in the Transportation section of our District website.

For bus route information, visit the Tacoma Public Schools’ website at www.tacomaschools.org/transportation. This will allow you to access the School Boundary and Bus Stop Web Query System. For other transportation information, call Durham Services at 253-475-0334. For information pertaining to students who ride special needs buses, please call 253-571-1855. If you have special needs bus concerns after regular hours, you may leave a message at 253-571-1906.

Student lists (manifests) will be generated for each bus based on the student’s home address. Students will be assigned to ride the bus which picks up and drops off at the stop nearest their home address. ID cards will be required for identification purposes. Please read the information below pertaining to students departing the school bus.

WAC and District Policy 6600

WAC 392-145-020
A school bus driver shall not order or allow a student to depart the bus other than at his or her boarding or alighting place except as provided in WAC 392-145-020 (7).

(7) a student may be permitted to leave the bus at other than his or her regular stop if permission is first obtained pursuant to district policy.

DISTRICT POLICY 6600
A request to deliver a student to other than his or her regular stop is granted only if the student gives the bus driver a note signed by a parent/guardian and the school principal to ride a different bus or be dropped at other than his or her usual stop. Such notes are valid for one day only, and may not be obtained on a continuing basis. A note written by a student is not acceptable. Any such written request must be approved by the administration or designee the morning of the date requested. No last-minute requests will be honored.

Student Manifest for Sports or Field Trips Outside of the School Day
In order to identify students and know which students are on a school bus after hours, all bus drivers will be required to obtain a list of the student’s names from the coach, teacher etc., prior to the bus leaving. Teachers and coaches must provide a list to the driver and have a copy of the list on file at the school. The bus drivers are instructed not to depart until they have a complete manifest.

After School Activity (ASA) Bus
ASA bus drivers will require student ID for those students riding their buses. Students who stay after school cannot ride the ASA bus unless they are involved in a supervised after-school sport or activity. The supervisor of that sport or activity will provide each student a bus pass so that they may ride the ASA bus.

Bus Discipline
Riding the bus is a privilege, not a right. Proper behavior is expected on all busses at all times. Any student abusing the privilege of riding the bus could have his/her riding privileges revoked. (6605R) Students, as well as parents/guardians, will be notified of misconduct in the form of a “School Bus Incident Warning” from the Durham Services. This will serve as a warning. Further misconduct will result in the suspension of bus riding privileges. The term of the suspension will depend on the frequency and severity of the incident. If you have questions regarding this procedure, please contact the Durham Services Discipline Officer at 253-475-0334.
Security Office

Our Tacoma Police Department School Resource Officer and our two Campus Security Officers have offices in the Security Office. In addition to supporting the safety and security of Stadium High School and all of its students and staff, our Security Office handles the following issues:

- Student parking
- Transportation and bussing
- Lost or stolen items
- Turning in items found on campus or belonging to Stadium students
- Confiscated items

Students may access the Security Office before school and after school, and should refrain from visiting the Security Office during class time.

The Career Center

The Stadium High School Career Center is a valuable resource that contains the latest information concerning post-high school training opportunities and occupations. The resources include catalogs from local and national schools, colleges, universities, technical sites and apprenticeship programs, occupational handbooks, videos, and software to assist students in their planning.

The Career Center hosts scholarship information, visits from colleges, universities, military academies, and technical schools, as well as representatives from a variety of occupations. Students are encouraged to attend a variety of presentations to help them make informed choices for beyond high school. Students need to obtain permission from their instructors before attending an event in the Career Center during class time.

Every student must complete a High School and Beyond Plan to graduate from Tacoma Public Schools. Information regarding the High School and Beyond Plan can be obtained in the Career Center and/or found on the Stadium website. The Career Counselor is the point person for all High School and Beyond Plans.

Parents are encouraged to visit the Career Center either by appointment or on a drop in basis during the day.

Grading System

The school year is divided into two semesters of 18 weeks each. Final grades, given at the end of each semester, are posted on the student’s transcript and determine his/her grade point average (GPA). In addition, one mid-term grade report is issued at the ninth week of a semester to indicate the student’s progress toward earning credit in each course.

Students must complete 18 weeks in a course with a minimum of “D” grade to earn 0.5 credit. Students who pass twelve semester (or six year-long) classes earn 6.0 credits for the year (3.0 credits per semester).

In general, GPAs are computed using the following numerical equivalents to letter grades:

<table>
<thead>
<tr>
<th>Letter Grade</th>
<th>Numerical Equivalent</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4.0</td>
</tr>
<tr>
<td>A-</td>
<td>3.7</td>
</tr>
<tr>
<td>B+</td>
<td>3.3</td>
</tr>
<tr>
<td>B</td>
<td>3.0</td>
</tr>
<tr>
<td>B-</td>
<td>2.7</td>
</tr>
<tr>
<td>C+</td>
<td>2.3</td>
</tr>
<tr>
<td>C</td>
<td>2.0</td>
</tr>
<tr>
<td>C-</td>
<td>1.7</td>
</tr>
<tr>
<td>D+</td>
<td>1.3</td>
</tr>
<tr>
<td>D</td>
<td>1.0</td>
</tr>
<tr>
<td>E</td>
<td>0.0</td>
</tr>
</tbody>
</table>

Convert the letter grade in each course to its numerical equivalent. Divide the sum of these numbers by the number of the classes to calculate the GPA for the semester. Cumulative GPA is computed using all the grades students earn in high school and receive high school credit for in middle school.
Guidance Office

Stadium High School has four guidance counselors and one career counselor who look forward to getting to know you personally. Students are assigned a counselor based on the first letter of their last name.

Withdrawing from a Class
Students may withdraw from a class up to the first fifteen (15) days of a semester without penalty. After this time, students who drop a course may receive an E in that course. Students must meet with their counselor to begin the process for withdrawing from a class.

Class Schedule and Schedule Changes
Stadium students register for course selections in the spring, and will request classes for the full year (both semesters) of their upcoming year. These requests are entered into the student database that will assign class periods and teachers. Students are expected to follow their assigned schedule.

The administration and/or school counselors must approve any subsequent requests for class changes.

College Applications and Letters of Recommendation
Many sources of college information are available in the Career Center or Guidance Office. The college search should begin early in the student’s high school career, certainly by the junior year. Students are encouraged to seek guidance from the Guidance Office and Career Center in order to choose a college that suits their interests and to align their class choices at Stadium with admissions requirements. Please be aware that most, if not all, colleges and universities have moved to online admission applications. Stadium’s counseling staff would like to support these applications to the best of our ability. Letters of Recommendation should be requested at least two weeks prior to any deadline to assure that the staff member has ample time to complete the request. A resume’ of activities and achievements should accompany any request so the staff member can highlight positive characteristics effectively.

Requests for Transcripts
Students must complete the designated form to request Official Transcripts. Please allow at least seven (7) days for processing these requests. Families are responsible for sending SAT, ACT, etc. scores directly to their desired institutions.

Communication

It is important that we communicate with our students and families. At Stadium High School, accomplish this by:

- **Tacoma Public Schools Website** – [www.tacomaschools.org](http://www.tacomaschools.org)
- **Stadium High School Website** – [www.stadiumtigers.org](http://www.stadiumtigers.org)
- **Planners** – are vital for student success. We encourage all students to develop an organizational system to track their scheduled activities and homework. Please check with your student on a regular basis in regards to their management system.
- **Report Cards** – are mailed home at the end of each semester. Final grades are computed at the end of each semester. Semester grades appear on student transcripts and generate the official Grade Point Average (GPA).
- **Progress Reports** – are mailed home mid-semester (November and April). These grades are informational and are not final grades.
- **Home Access Center (HAC)** – is available for students and families to view and continuously monitor academic process. To obtain login information, please contact the Guidance Office.
- **Low Mark Calls** – are sent by Tacoma Public Schools every Sunday night to inform you if your student is at a C- or below in any of his/her classes.
- **Attendance Calls** – are sent home if and when your student has any unexcused absences over the course of the day. Please make sure to excuse an absence by emailing us at stadiumattendance@tacoma.k12.wa.us on or before the day of the absence to avoid attendance calls.
- **Conferences** – for students with their families will be held twice a year. Conference dates and times will be posted on our website.
- **Classroom Websites** – are available for viewing classroom information, obtaining homework items, and reading information posted by the teacher. Individual websites can be accessed through the Stadium website by clicking on “Classroom Websites.”
- **Email** – is the most effective way to reach our teachers. Each teacher’s email address can be accessed through their website or by the contact list on the Stadium website.
- **Telephone** – calls may be made directly to the classrooms, where each teacher has voice messaging. Please remember that teachers are instructing during the school day and may not be available to talk or return calls while they are in class. Teachers will make every attempt to contact parents/guardians to inform them of any concerns they may have regarding their student.
- **SchoolMessenger** – weekly reminders will be made every Sunday. The principal will alert families to key events and happenings in the upcoming week. Verify that your contact information is current and correct in our system. Updates can be made through HAC or by calling our Guidance Office.
- **Stadium Boosters** – is a vital part of the Stadium High School community. Important school events and issues are discussed at monthly meetings. Check out Boosters at stadiumboosters.org. Become a member and get involved!

Stadium High School
Expectations and Discipline Policies

Stadium High School’s discipline philosophy is that all students practice behaviors which contribute to a positive school climate and do not interfere with teaching and learning. Students are expected to take ownership of their own behavior, follow directions, treat each other with kindness and respect, and learn the value of productive work and good citizenship. Doing so will help students become persons of good character. The goal is to help students acknowledge inappropriate behavior, to self-evaluate, to take ownership of choices and decisions, and to develop a plan for improving behavior.

Security Officers

Security officers monitor all areas of the buildings, grounds, and adjacent areas of the school to maintain standards of conduct and behavior of students during class hours and at off-hour educationally oriented functions. They also interact with students in the social context of school and make contact with non-students who may come to campus. Security officers provide a liaison between the school and the community, assist in the investigation of alleged criminal activity, and make referrals to appropriate authorities for further investigation. Security also assists the students in better understanding the rules and regulations of the school, as well as city, state and federal laws. School security officers are responsible for the distribution of bus passes. Security and administration also conduct “hall sweeps” to ensure that all students are in class during instructional time, or have the proper pass to be out of class with teacher permission.

Search and Investigation Policy

The principal, assistant principal, and/or an authorized representative possess the authority to investigate and correct student misconduct. To maintain order and discipline in the school and to protect the safety and welfare of students and school personnel, school authorities may search a student and his/or her effects and may seize any illegal or unauthorized materials discovered in the search.

As used in this policy, the term “unauthorized” means any item dangerous to the health or safety of students or school personnel, any item considered disruptive to the functions and mission of the school, or any item described as unauthorized in the school rules cited in this handbook.

A student’s failure to permit searches and seizures as provided in this policy will be considered grounds for disciplinary action.

All searches by school employees shall be reasonably related to the objectives of the search and not excessively intrusive. In other words, a student’s person and personal effects are searched only when a school official has reasonable suspicion to believe that the student is in possession of illegal or unauthorized materials.

The Discipline Referral Process

Most lower-level discipline infractions are handled by the classroom teacher or our security officers. If a student fails to correct his or her behavior, a student may be referred to the office for more severe consequences. Higher-level or progressive discipline and exceptional misconduct offenses are addressed by the building administrators. Administrators make the final decision concerning consequences depending on the nature, severity, duration and mitigating circumstances in each situation. Repeat offenders can expect progressive consequences.

Discipline Transfers

A principal may initiate an intra-district transfer when there is clear indication that corrective action alternatives have failed and a transfer to another school or program might correct a student’s behavior and establish a positive educational experience. Due process requirements related to a student’s rights are to be followed when an intra-district transfer for disciplinary reasons is proposed. (Policy 3131)
Possible Consequences for Inappropriate Behavior

Discipline at Stadium High School is progressive, which means that consequences get tougher as the situation becomes more severe or if you don’t follow through with the consequences assigned for prior offenses.

- Classroom Extended School Day Detention
- Office Assigned Extended School Day Detention
- **Single class suspension** – The student is removed from a particular class for a pre-determined amount of time. This may require either late arrival or early dismissal each day for the remainder of the semester.
- **Short term suspension** – Administered by the building principal, assistant principal or designee. The student is removed from school up to 10 consecutive school days.
- **Long term suspension** – Administered by the building principal, assistant principal, or designee. The student is removed from school for 11 or more consecutive school days.
- **Emergency expulsion** – Imposed when a student is considered a danger to the student, other students or school personnel, or is considered an immediate and continuing disruption of the educational process. The student is removed from school.
- **Expulsion** – The student loses the right to attend District schools, classes and programs and the right to be admitted onto District property.

NOTE: A student suspended from school is denied the right to be on any Tacoma School District property or to attend any district or school sponsored events, such as dances, sporting events, evening activities, etc.

Cafeteria Expectations

All students are required to clean their lunch areas by placing trays and waste in the trash cans. Each student at a table is responsible for that table. Throwing food or other items will not be tolerated. Consequences will be progressive for cafeteria misbehavior and could be severe, even for a first offense, depending on the nature of the situation. Generally, all food is to remain in the cafeteria and not be consumed in other areas of the building.

Electronic Devices

*Stadium High School is not responsible for the loss or theft of electronic devices.* Staff may confiscate items during regular school hours. Regular school hours are 7:35am until the student’s lunch time, and after the student’s scheduled lunch time until 2:05pm. Students may use electronic devices before school, after school and during lunch. Students may use electronic devices during class time only when approved to do so by their teacher. **External speakers are not permitted on campus.**

Students must comply with staff to maintain a safe and orderly learning environment. If this does not happen, insubordinate behavior demonstrated by the student may result in consequences. Administration may immediately impose serious consequences when necessary.

Exclusion from School Activities

Students must attend school for the majority of the school day in order to attend school activities or events. Students who demonstrate poor conduct at school may be excluded from participating in school events and activities. Students may not be able to attend field trips, assemblies, dances, athletic competitions, or special activities if they violate school rules or policies. School administration may remove or exclude a student from any activity if they believe the student’s conduct should prevent him/her from participating.

Attendance at assemblies, concerts, dances, field trips, sports, or other school-related events is a privilege and not a right of being a student at Stadium High School. If a student or group of students is rude, disruptive, insubordinate, obnoxious, or disrespectful at an assembly, or other school-related event, the student/s may be removed from the event immediately and denied entrance to future events or activities. All Stadium expectations and policies apply at school-related activities on or off campus. School consequences will be imposed when deemed necessary by administrators or their designee/s.
**Loitering**
A student shall leave the school campus at the official close of the school day unless permission to do otherwise has been granted. Offenders will be disciplined accordingly. Law enforcement may be notified.

**Internet/Computer Use by Students**
Tacoma Public Schools (TPS) offers access through its digital resources to library materials, databases, and the internet. We believe that the digital resources offer significant opportunities to enhance your student’s education. TPS utilizes internet filtering for all computers networked in district facilities. However, it is not possible for us to completely limit access to materials with inappropriate content. Therefore, it is important that each student’s parent/guardian consider carefully and make an informed decision about whether to permit his/her student access to the district’s digital resources, including the internet.

It is important that you and your student read and discuss the District’s Acceptable Use Policy for Digital Resources. A summary of the regulation follows. Complete text is available on the Tacoma Public Schools website: [www.tacomaschools.org/schoolboard/policies](http://www.tacomaschools.org/schoolboard/policies).

In using the district digital resources, students accept the responsibility to:
1. Utilize the digital resources for educational purposes only;
2. Abide by district policies and federal/state laws, including Copyright laws;
3. Adhere to school guidelines on use of the network, and notifying staff prior to using the internet;
4. Use good behavior and respect district property; do not destroy, modify, delete, or add software to district computers without permission.
5. Use digital resources in a legal, moral, and ethical manner. Do not access or process obscene, pornographic, or other inappropriate materials.

Tacoma Public Schools reserves the right to review and monitor activity on the network for responsible use consistent with the District’s Acceptable Use Policy for Digital Resources and Regulation; and to remove a user’s privilege to access the network at any time the District determines that the user is engaged in unauthorized activity or for violating the Policy. Disciplinary actions, if any, shall be consistent with the district’s standard policies and procedures.

**Dance Code of Conduct**
School dances are an important part of the high school experience, but attendance at these events is a privilege, not a right. Please help Stadium High School continue to provide dances for our students by acting in an appropriate manner.

- Attire must conform to Stadium Dress Code. Students wearing inappropriate attire will not be admitted to the dance. If students are seen wearing inappropriate attire while at the dance, they will be required to immediately change into acceptable clothing or be removed from the dance.
- Overtly sexual behavior on or off the dance floor is not permitted and will not be tolerated.
- Sexually suggestive dance moves are not allowed.
- Both dancers must remain vertical/upright at all times.
- Obey the authority of all chaperones at all times. They determine unacceptable dance behavior.

Failure to comply with the dance code of conduct and/or reasonable requests from chaperones may result in removal from the dance and exclusion from future dances without reimbursement.
Dress Code

Stadium acknowledges that a correlation exists between appropriate grooming/personal attire and student achievement. A similar relationship exists between student dress, safety and acceptable standards of conduct. This document informs students and families that Stadium’s dress code is designed to allow for student comfort while maintaining an environment conducive to teaching and learning in the best available educational setting.

If a student is out of compliance with the Stadium Dress Code, he/she will be asked to remedy the situation to become compliant with the following expectations.

- Hats, hoods, visors and other head coverings are not to be worn inside Stadium High School. Please remove such items upon entering the building. Religious/cultural/medical exceptions may be authorized by the administration.
- **All students must wear shirts with sleeves.** Tank tops and other sleeveless tops are not allowed.
- Shirts that show bare midriff, excessive cleavage, etc. are not allowed.
- **Shorts and skirts must be no shorter than 4 inches from the knee** all the way around. Shorts or skirts that are not within 4 inches from a student’s knee are not permitted.
- Pants, skirts, shorts may not contain any holes, rips, or tears that expose skin more than 4 inches above the knee.
- Exposed undergarments and see-through clothing are prohibited. Tights may be worn only as undergarments.
- Pajamas, including pajama pants, and house slippers are prohibited.
- Pants and/or shorts are to be worn at the waist with no sagging.
- Headbands are not to be worn at Stadium High School. (Hairbands are not headbands, and are acceptable.)
- Bandanas are not allowed on Tacoma Public School property and will be confiscated. In addition, items such as “do-rags,” towels, etc. should not hang from clothing, belts, backpacks, or pockets.
- Garments that have alcohol, drug, sexual or negative ethnic/racial comments or connotations are not allowed to be worn at school or at school related activities (home or away).
- Gang related attire is strictly prohibited.
- Shoes are to be worn at all times. *Laboratory, studio and shop classes may require closed toed shoes.*
- Sunglasses are not permitted to be worn inside the buildings.

**In order to minimize disruption and loss of instructional time, students should have extra clothing items, especially if they believe they may be asked to change.** Please check your student’s attire on a daily basis to assure that students maximize their learning opportunities and avoid attire that is not compliant with the Stadium Dress Code.

If a student has failed to comply with the Stadium Dress Code, the student may be referred to administration and may be denied entrance to class until the dress code violation is resolved.

*If you have reason to believe an item may not be school appropriate... it probably isn’t.* 😊

In all cases, school administrators will make the final determination regarding specific dress code violations. Students are expected to be cooperative whenever their attire is determined inappropriate. Argumentative, hostile or defiant behavior will be subject to other disciplinary action and progressive consequences.

**Spirit or Special Event Days**

All Spirit wear must comply with the Stadium Dress Code. Students are forewarned not to wear face paint, masks, skin-tight or suggestive attire, sunglasses, head coverings, or anything else that could cause a safety issue or a disruption to the learning environment.
**Student Parking**

We regret that our parking facility cannot accommodate all students who wish to drive to school. However, we are able to grant parking privileges to approximately 75 students. Stadium convenes a parking lottery to determine these students.

Seniors may apply to the lottery, but because our parking is so limited, we will only consider student drivers that are able to demonstrate, through the following criteria, that they are low-risk, safe and responsible.

- Valid Washington State Driver’s License
- Proof of insurance
- Permanent Washington license plate number
- Current Stadium Student ID with ASB Membership
- Limited/No discipline history
- Credits on track for graduation
- Good attendance

Students selected in the lottery will be required to take Parking 101 and pay the required fee. Parking lotteries will happen throughout the year when space is available. It is important to read and understand the Parking Protocols, Principles, and Policies prior to applying for the lottery. Excessive absences or disciplinary problems may result in the suspension or revocation of parking privileges. The administration makes the decision to grant, suspend, or revoke parking privileges. Decisions are final and will not be open for appeal. Parking fees will not be reimbursed when parking privileges are revoked.

**Stadium High School Parking Protocols, Principles & Policies (PPP)**

The Stadium High School garage is reserved for registered vehicles driven by Stadium teachers, staff and students. Garage parking is a privilege for students, not a right. Parking garage violations, disciplinary issues, excessive absences, off campus violations and excessive tardies are grounds for revoking parking privileges.

1. Park only in your assigned parking space and post your parking placard so that it is visible through the windshield. Parking in another space or failing to display your placard will subject you to fines, booting, towing, and/or loss of parking privileges. All vehicles must be registered with the security office. Students may not share or transfer parking permits or placards. A fee will be charged for replacement placards. Placards must be returned prior to graduation.
2. Students are not permitted to leave the parking garage during school hours.
3. Do not use a cell phone while driving in the garage or on campus.
4. The parking garage is off limits during all emergency drills/evacuations, unless administrative approval is given. In an actual emergency, students may not access their vehicles until the proper authorities have cleared the area.
5. Student drivers must inform the office immediately (within 24 hours) of any changes in vehicle, license plate, or insurance.
6. Loitering in the parking garage is prohibited. Students are expected to lock their cars and leave the parking garage immediately after arriving at school. Students must have written permission from an administrator, security or the SRO to be in the parking garage during school hours.
7. Students cannot possess or stow drugs, alcohol, weapons, tobacco products or other contraband in vehicles at any time while on Stadium’s campus. Students are responsible for any contraband found in their vehicles.
8. Students who temporarily change vehicles must immediately (defined as the same day the car is driven) inform security of the new vehicle’s make, model and license plate number in writing and must post the assigned placard.
9. Do not speed in or near the parking garage. Speed violations or other acts of reckless driving may result in school discipline, ticketing, towing, and/or loss of parking privileges.
10. Students must follow all Tacoma Public Schools’ policies and regulations regarding parking on campus.

Vehicles will be towed at the expense of the owner. Transact this expense with Bill’s Towing, not Stadium High School.

**BILL’S TOWING INFORMATION**

A student who engages in misconduct will be subject to corrective action or discipline. A student whose conduct constitutes exceptional misconduct as defined in Regulation 3241R may be subject to an immediate short-term suspension or emergency expulsion without regard to any previous attempts at corrective action. Depending on the circumstances, a student may also be subject to immediate long-term suspension or expulsion for engaging in certain conduct identified under law which permits the use of long-term suspension or expulsion. Disciplinary transfers to another school may also be implemented by the District as needed.

The Safety and Security Department may be notified of violations of offenses in this section. Where appropriate, Tacoma Police will also be notified. Discipline of students who have an Individualized Education Program (IEP) or Section 504 plan will be administered in conformity with the Individuals with Disabilities Education Act (IDEA) and Section 504 of the Rehabilitation Act (Section 504), and may differ in degree, type, or severity if the conduct in question is determined to be a manifestation of the student’s disability.

Discipline in Tacoma Public Schools is progressive. Actions listed throughout this section are recommendations, but severity may vary depending on each individual situation, frequency, grade level, and other contributing factors. School administration has the authority to determine any disciplinary action to maintain a safe and effective learning environment.

The District and its School Board will be revising District Policy/Regulation 3240 and 3241 in response to the requirements of Fourth Substitute House Bill 1541, signed by the governor on March 30, 2015, and effective on June 9, 2016. The revisions will further define student conduct that may lead to discretionary and non-discretionary discipline. Please visit the District’s website at https://www.tacomaschools.org/board/Pages/policies.aspx to view the updated policies and regulations applicable to student discipline, suspension, and expulsion. You may also obtain a copy of the District’s policies and regulations by contacting the Office of Secondary Education at 253-571-1191 or the Office of Elementary Education at 253-571-1032.

**ALCOHOL**

Possessing, using, or being under the influence of alcohol or substances containing alcohol is cause for suspension/expulsion. Selling or distributing alcohol or substances containing alcohol is also cause for suspension/expulsion.

Students may be disciplined for being under the influence of alcohol based on their behavior or appearance as determined by an administrator, school nurse, or other properly trained official, regardless of whether they have alcohol in their possession. Coming to school or a school event while under the influence is not allowed.

In addition, in the event the District’s representative fails to provide an answer at any level within the time limits prescribed, the complainant has the right to proceed immediately to the next level. The complaint will be considered abandoned and the matter settled in accordance with the District’s official last answer if the complainant fails to appeal the decision to the next level within the designated appeal period.

If the staff member feels he/she cannot approach the supervisor because of the supervisor's involvement in the alleged discrimination, the staff member may directly contact the compliance officer before pursuing formal procedures. If the discussion with the officer or immediate supervisor does not resolve the issue the staff member may proceed to the formal review procedures.

**Formal Process for Resolution - Level One**
The complaint must be written, signed by the complainant and set forth the specific acts, conditions, or circumstances alleged to be in violation. Upon receipt of a complaint, the compliance officer will investigate the allegations within 30 calendar days. The officer will provide the Superintendent with a full written report of the complaint and the results of the investigation. The Superintendent will respond in writing to the complainant as expeditiously as possible, but in no event later than 30 calendar days following receipt of the written complaint. **Formal Process for Resolution - Level Two - Appeal to Board of Directors**

- B. The expiration of the 30-calendar day response period stated in Level One, whichever occurs first.

The Board will schedule a hearing to commence by the twentieth (20) calendar day following the filing of the written notice of appeal unless otherwise agreed to by the complainant and the Superintendent or for good cause. **Formal Process for Resolution - Level Three - Complaint to OSPI**

Such a complaint must be received by OSPI within 20 calendar days after the complainant received the Board’s decision, unless the OSPI grants an extension for good cause. Complaints may be submitted by mail, fax, electronic mail or hand delivery. A complaint must be in writing and include:

Upon receipt of a complaint, OSPI may initiate an investigation, which may include reviewing relevant information or conducting an independent on-site review. OSPI may, at its discretion, investigate additional issues related to the complaint that were not included in the initial complaint or appeal to the school district under WAC 392-190-065 or WAC 392-190-070.

Following an investigation, OSPI will make an independent determination as to whether the school district failed to comply with Chapter 392-190 of the Washington Administrative Code or the guidelines adopted under WAC 392-190-005. OSPI will issue a written decision to the complainant and the school district that addresses each allegation in the complaint and any other noncompliance issues that OSPI has identified in the investigation. The written decision will include the corrective actions deemed necessary to correct any noncompliance and any documentation the school district must provide to ensure that the corrective action is completed. Regulation No. 5265R

OSPI will provide this written decision in a language that the complainant can understand, which may require language assistance for complainants with limited-English proficiency, in accordance with Title VI of the Civil Rights Act of 1964.

All corrective actions must be completed within the timelines established in the written decision unless OSPI grants an extension. If timely compliance by a school district is not achieved, OSPI may take actions to ensure compliance. Such actions may include, but are not limited to, referring the school district to appropriate state or federal agencies empowered to order compliance with the law or the initiation of sanctions or corrective measures under WAC 392-190-080.

A complaint may be resolved at any time when, before the conclusion of an investigation, the complainant and the school district voluntarily agree to resolve the complaint. OSPI may provide technical assistance and dispute resolution methods necessary to resolve a complaint.

**District Identified Dangerous Weapons**

Carrying a dangerous weapon onto, or possessing a dangerous weapon on, school property, school-provided transportation, areas of facilities being used exclusively as school district property, or at school-sponsored events or activities are against Tacoma School District policy.

District-defined dangerous weapons include: BB gun of any type, pellet gun of any type, soft air gun, slingshot, hand club, sandbag, Chaco sticks, metal pipe or bar used or intended for use as a club, Billy club, black jack, switchblade knife, fixed blade knife (e.g., kitchen knife, steak knife, and hunting and military-type knives that do not fold), large folding knife with a blade over 2-1/2 inches long; any knife with a blade that locks open; any knife with more than one blade; razor blade; box cutter; blowgun, Taser gun, and bullets.

The definition of a dangerous weapon may also include any object, such as pepper/gas spray, that can reasonably be used to inflict serious bodily injury when a student uses such an object with the intent to harm or intimidate someone, or when there is no other reasonable purpose for possessing the object except to use it as a weapon. A laser pen may be considered to be a dangerous weapon if the light is deliberately aimed at another person’s eyes, whether or not there is intent to cause harm. (See Policy 3240R)

The normal discipline for a first-time possession of a dangerous weapon is a long-term suspension. The administrator can elect to give a lesser corrective action because of the particular facts and circumstances.

**Personal Spray Devices**

Persons over 18 years of age and persons between 14 and 18 years of age with prior written parental or guardian permission may possess personal protection spray devices on school property. No one under 18 years of age may deliver such devices, nor may anyone 18 years or older deliver a spray device to anyone under 14 or to anyone between 14 and 18 who does not have parental permission. Persons younger than 14 years of age may not possess personal protection devices.

**OFF CAMPUS BEHAVIOR**

Discipline may be imposed for an off-campus act of misconduct if the discipline is reasonable under the circumstances and closely connected to the educational process. The following criteria should be considered to decide whether an act of misconduct is sufficiently connected to the educational process:

1. Location of the misconduct (proximity to school grounds or to a school activity);
2. Hour and date of the misconduct (during school hours, but off-campus; immediately before or after school hours; on district-sponsored transportation, directly before entering or after leaving district-sponsored transportation, or during school-sponsored activities);
3. Effect on other participants or victims to the misconduct (did the misconduct involve or affect other students or school district personnel);
4. Severity of the misconduct and its likelihood to student or school district personnel safety (e.g., fighting or other violent or destructive acts, the selling of a controlled substance, or possession of a weapon); and
5. Extent to which the off-campus activity affects the environment or safety of the school (e.g., students are afraid to come to school or afraid at school because of it; it is disruptive to the school atmosphere in that special precautions or actions need to be taken to protect students and staff; the arrangements for the activity were made on campus but conducted off campus, such as drug sales, a fight or assault, etc.; or there are likely repercussions such as students from other schools or non-students coming onto the campus to effect retribution).

The District will respond to off-campus student speech that causes or threatens to cause a substantial disruption on campus or interference with the right of students to be secure and obtain their education. Substantial disruption includes, but is not limited to, significant interference with instruction, school operations or school activities, violent physical or verbal altercations between students, or a hostile environment that significantly interferes with a student’s education.
