

Senior Class of 2019,

Get out your caps and gowns and get ready to walk the halls of your elementary school!

Iron/steam your gown and stole and don't forget your tassel!

Seven of our feeder elementary schools would like to welcome you on the following days and times.

If the elementary school you attended is not listed below, you may find a friend and attend with them at their school.

Some schools would like you to answer a few questions for the students, so be prepared to dazzle the next generation!

Please meet in the main office at your elementary school just prior to the time listed below.

Please note the correct day and be on time.
