			<i>TOP 5 GIRLS & TOP 5 BOYS' AVERAGES</i>		

* Short season. Season does not start on the same date as other Session 3 sports.

About Middle School Girls Bowling:

2018 will be the pilot year for Girls Bowling at the middle school level. The season will offer a series of 6 opportunities for interested participants to begin learning and competing in the sport.

Each opportunity will be led and instructed by trained and qualified professionals, many of which have years of coaching experience at the high school bowling level. Those professionals will work with school site coaches/supervisors to help teach the sport and provide instruction.

Schools will be paired together for one practice day per week. Practices will be two hours in length and will include a variety of activities and competitive opportunities. The season will conclude similarly to our other middle schools sports, with a championship event that will highlight the top team and individual performers.

More detailed information will be released to participants as the season nears. *-SR 6/28/16*
