We will start regular school days 5 minutes earlier than we did this year. On regular school days, the first bell will ring at 8:45am and students will begin in classrooms at 8:50am while late start days will start at 10:45am. Students will still be dismissed at 3:30pm each day.

A BIG THANK YOU TO OUR COMMUNITY FOR SUPPORTING OUR LATE START DURING THIS PAST SCHOOL YEAR. WE APPRECIATE YOU!

CHILDCARE OPTIONS FOR LATE START
Any student who does not have childcare for these mornings can come to school at the normal start time and participate in rotation activities monitored by support staff.

WHO WILL BENEFIT
Both our students and staff members benefit. Teachers will have the opportunity to work in and across grade level teams as well as with building support staff to plan for instruction that meets the need of each and every student at Washington.
