ALMA MATER
Oh, we love our Alma Mater, this we vow today;
Joys and sorrows we have shared are in our hearts to stay.
When we leave your hallowed halls, footsteps soon grow dim;
Voices echo and depart, but memories will live.

We salute the bold red, white, and blue with its heritage of old;
We will ne’er forget them, truth and honor they uphold.
Soon our journey must begin, then we’ll all depart;
Wilson loyalty will live deep in every heart.

Principal’s Greeting

July 30, 2018

Wilson High School Students,

We are so excited to begin a new chapter of Ram Country history with you. While respecting the legacy…well…dynasty Mr. Besett has built with help from Mr. Sliva, the campus community and all of you, your new administrative team is ready and willing to discover the next levels of success for our students and community members! Ms. Alli Bennett will be the new 9th grade principal. Mr. Karl Hoseth will work specifically with our 10th graders. And Ms. Rindi Hartman will support 11th and 12th grade students.

As you know, we had another successful year… recently Wilson was recognized, yet again, by the Washington Post for a 5th year in a row as a 2017 “Top Public High School” in the United States. We received our 7th year in a row School of Distinction Award. Wilson High School also graduated 22 seniors who earned their AA degrees concurrently through Running Start. Lastly, we upheld our number one spot as Pierce County League All Sports Champions.

How lucky I have been to work with unique and distinguished educational leaders who have prepared me to lead Wilson High School to new heights. I feel like being a new principal is a bit like being a new parent. You never know if you’re really ready, even when you think you’re ready. With your help, along with the help of the Wilson community, I am confident I am prepared to help raise my new baby, which just happens to be a small city of adolescent learners at different stages of engagement—all of you! YOU are the primary reason Wilson has celebrated so many accolades these last few years. We are counting on you to continue “bringing your awesome” to our school. Whether you are a spectacular student, a great athlete, a musician, an outstanding marcher in ROTC, or even someone who simply treats others well consistently, KEEP BRINGING ALL OF THAT AWESOME TO SCHOOL!

Sticking with the themes of the last few years, I think it only appropriate that we keep the momentum of the previous themes. If it ain’t broke… Right? One of my biggest questions is how Wilson will continue to improve upon 7 School of Distinction Awards and a 96.2% graduation rate? But, you all know, there is still room for improvement. I look forward to your voices in determining those areas of improvement and how we get there. Therefore, this year’s theme will be…REDEFINING DISTINCTION. Here we go, Team!

In Partnership,
Bernadette C. Ray
Principal

STUDENT GOVERNMENT

Wilson High School’s student council is made up of students who are elected to represent the student body to ensure student input in the planning of student activities and the distribution of student body funds that are raised through activity card sales and other fundraisers. All expenditures of ASB student funds require the approval of the student council. The student council officers and representatives must take a leadership class for a grade and credit.

To serve on the student council a student must:

- Follow all attendance and behavior rules of the Athletic & Activity Contract.
- Be a full-time student at Wilson, taking at least 4 classes
- Class officers must maintain a 2.5 GPA
- ASW officers must maintain a 3.0 GPA
- Have an ASB Card
ASSOCIATED STUDENTS OF WILSON (ASW)

ASW OFFICERS

President: Tucker Seago

ATHLETICS

Athletic participation is completely voluntary and a privilege. Involvement in the athletic program does require you to give a lot of yourself. You must be willing to make a commitment of your time and energy beyond the normal school day. Turning out for a sports team requires duties on your part. You must maintain a 2.0 G.P.A. in order to participate in competition and attend all classes regularly. It is expected that your conduct will be appropriate at all times. To assume lesser standards would be an injustice to you and a disservice to Wilson High School.

Student athletes must purchase an ASB card and have on file with the Athletic Director a current medical physical, parent permission and contract form. Student athletes must have medical insurance and also submit an Emergency Medical Information form. These forms are available in the main office, from the athletic director located up in the gym or on the School District web site www.tacomaschools.org.

The number of teams each program has depends on the number of participants. Some of the programs will have a selection process. Coaches have the responsibilities to evaluate and select students for participation. Only the coach is authorized to make selections for team membership and playing time.

CODE OF CONDUCT

ASSEMBLIES

Wilson students have the PRIVILEGE of attending assemblies, concerts, dances, field trips, sports and other out of class activities. In order for students to continue to have these PRIVILEGES, they are required to adhere to the following:

1. No rude, disruptive, insubordinate, obnoxious, or disrespectful behavior.
2. When the lights go down, or the speaker steps to the microphone, or the conductor/director steps on stage, the audience should immediately become quiet and attentive.
3. No talking, noises, gum cracking, side conversations, etc. It is appropriate to carry on a side conversation with someone near you during the applause, but you should immediately become quiet and attentive after the applause is over.
4. During the performance, there should be no moving around the venue. If there is a need to move, wait until the selection has ended and move during an appropriate applause time.
5. Applause for performance and appreciation should be appropriate. There should be no obnoxious clapping, or continued clapping when the majority of the audience is finished.
6. No yelling out performers' names or comments of any kind.
7. No behaviors that take any attention off of the planned program, the performers on stage or the right of the audience to focus their enjoyment and attention on the activity.
8. If a student member in the audience brings undue attention on him or herself, he/she will be removed from the assembly. Depending on the reason for removal from an assembly, a student may be subject to missing future out of class activities, including dances, concerts, plays, field trips, sporting events etc.

Wilson High School has a positive reputation. We take great pride in our assemblies, concerts and other performances. Let’s keep it that way!

DANCE CODE OF CONDUCT AND RULES

Purchasing tickets & Guests:

1. Dances on Wilson's campus are from 8:00pm to 10:00pm. Senior Prom is from 8:00pm to 11:00pm.
2. Most dances have ticket presales the week before the event. If tickets are available to purchase at the door during the event, there will not be presale tickets available the day of the event. This provides our staff time to organize and sort the authorized presale list for that evening. Names of students who have repurchased tickets will be kept and verified when tickets are presented at entry.
3. Attendees must show picture ID card with ASB to get the ASB ticket price.
4. (Homecoming and Prom only) Wilson students may bring dance guests (1 guest per student) who are high school students or recent high school graduates. All guests must be preapproved by Wilson administration. Guests must present ID to confirm identity and age in order to enter dance. Acceptable forms of identification are driver's license, school ID badge, military ID or other formal ID card. Guests must abide by the TPS Code of Conduct and Dress or they will not be admitted to the dance.
5. Students and guests must show Wilson I.D. at the door to be admitted.
6. To attend a dance, students must be free of debt.
7. The ability to attend any dance may be jeopardized by poor attendance and/or grades. ASB events are geared towards celebrations and rewards.
Day of the Dance:

1. Dances on Wilson’s campus are from 8:00pm to 10:00pm
2. Students and guests must show Wilson I.D. at the door to be admitted.
3. Names of students who have repurchased tickets will be kept and verified when tickets are presented at entry.
4. Dress code is strictly enforced. Students not following the dress code (see below) will not be allowed into the dance and refunds will not be given.
5. Backpacks, bags, large size purses, food/drinks or water bottles are prohibited from entering the dance. Some dances have a coat check for jackets and small items at the discretion of the administration. The Tacoma School District rules will be enforced and administrators will call parents when appropriate. The school is not responsible for any items brought into the dance or checked in the coat check.
6. During the dance, students are to be in designated dance areas. Students may not leave the dance and return. Once a student goes outside, he/she will not be readmitted or sold another ticket.
7. Dance photos must be ordered and paid for at the dance prior to the photo being taken. Any photo
8. No loitering or waiting for friends outside the dance area or parking lots.
9. Secure your valuables. The school cannot be responsible for purses etc. left unattended.
10. For safety reasons, no infants or small children may come to school dances with students.
11. Dances are a time for fun with friends at a school-sponsored function. Therefore, any dancing deemed inappropriate is not tolerated. Students violating this rule may be subject to dismissal from the dance and will not be allowed to attend the next dance. No refunds will be given.
12. Additionally, there is a zero tolerance policy on possession or use of alcohol, drugs, or other illegal substances at all school-sponsored functions. Students caught with or under the influence of any of these substances will be subject to discipline to the fullest extent according to School Board policies.
13. For safety, students attending the dance must leave promptly after the dance. The campus is cleared within 15 minutes of the end of the event.

Sexual Harassment and Appropriate Dress:

Dances are fun. WHS encourages all participants to enjoy themselves at school dances. With that said, it is a school function and not a club setting. Therefore, appropriate limitations are necessary.

Sexual Harassment and Appropriate Dance: Tacoma School District Policy 3215/3215R and Title IX of the Federal Education Amendments of 1972 prohibit sexual harassment at any school-related functions. Therefore, sexually offensive and inappropriate language, gestures and dancing are not acceptable. Dancing styles that involve intimate touching or exposure of the breasts, buttocks, or genitals, or that simulate sexual activity are NOT allowed; when dancing back to front, all dancers must remain upright--no sexual squatting or sexual bending is allowed, i.e. no hands-on knees and no hands on the dance floor with your buttocks facing or touching your dance partner; lying on the floor in a sexually suggestive manner or lap dancing are not tolerated. The Administration and school staff reserve the right to determine what constitutes sexual harassment.

Appropriate dress is mandatory for all students. Dall school dress code rules apply to dance attire. See Wilson Dress Code Policy.

Attire for senior ball will be full suit (business/professional attire) or tuxedos. Gowns should be formal and are encouraged to be floor length.

IMPORTANT TICKET NOTE: THERE WILL BE NO DANCE TICKET REFUNDS

Only one assistant per class per semester is allowed. All exceptions must have administrative approval.

ATHLETIC/PHYSICAL EDUCATION EQUIPMENT
Athletic/physical education equipment is provided in the physical education classes and by sports teams. Students ARE NOT ALLOWED to bring personal items of this nature to school. Basketballs, baseballs, footballs, etc. will be confiscated by staff and returned to the student at the end of the school day. Continued violations will result in progressive discipline.

BUS TRANSPORTATION
Bus passes will be issued to all students who are eligible. It is necessary that students submit a signed bus application to Mrs. Brooks-Johnson in the main office. Misbehavior on the bus may result in detention, suspension from school, and/or loss of privilege of riding the bus. School ID cards are required to ride the school bus.

CAFETERIA/LUNCH
The cafeteria at Wilson is designed for student comfort and use. We have considerable pride in the services of the cafeteria as well as the attitude of Wilson students in keeping the tables and the floor clean. Students should clean up the table when they are finished eating and throw away their garbage in the garbage cans. WILSON HIGH SCHOOL HAS A CLOSED CAMPUS POLICY. STUDENTS ARE NOT ALLOWED TO LEAVE THE CAMPUS DURING LUNCH OR ANY OTHER TIME DURING THE SCHOOL DAY WITHOUT PRIOR PARENT PERMISSION AND THE APPROPRIATE DOCUMENTATION FROM THE NURSE OR ATTENDANCE OFFICE.

CAREER CENTER
The Wilson High School Career Center is the hub of the school. It is a valuable resource that contains the latest information concerning post-high school training opportunities and occupations. The resources include catalogs from local and national schools, colleges, universities, and technical sites and apprenticeship programs, occupational handbooks, videos, and software to assist students in their planning.

The Career Center hosts scholarships, visits from colleges, universities, military academies, and technical schools, as well as representatives from a variety of occupations. Students are encouraged to attend a variety of presentations to help them make informed choices for beyond high school. Depending on availability, students may use the Career Center during lunch to study.

CLASS SCHEDULE & CHANGES TO SCHEDULE
Students register for course selections in March of the previous year. These requests are then entered into a student data base program that will assign periods and teachers. The administration and/or school counselors must approve any subsequent requests for class changes. Students are expected to follow the assigned schedule, and administrator and/or counselor must approve all schedule changes which must be made before the third week of each semester.

CLOSED CAMPUS & ADJACENT PROPERTIES
All Tacoma Schools observe a closed campus policy. Once you have boarded a school bus, you are considered at school. Students are to stay on the school grounds, in the designated areas, from the time they arrive until dismissed. Students must have a parent call or bring a written parent request to the attendance office, PRIOR TO LEAVING, in order to leave campus for any reason. Special off campus passes will be limited and must have administrative approval. Students will be subject to disciplinary action for leaving campus without permission.
CLOSED CAMPUS & ADJACENT PROPERTIES CONTINUED
To maintain an “optimum learning atmosphere” and for the safety and security of our students, staff, and the community, students are not allowed to gather in groups on sidewalks/easements, including bus stops around residences near Wilson High School before, during, or after school. THIS MEANS ALL HOMES IN THE AREA.

Our campus and greater community has seen a dramatic increase in the use of e-cigarettes and vape devices, particularly “Juul” and “blu” brands. These devices can contain “juice”, nicotine, or THC/marijuana products. Regardless of contents, the devices themselves are not allowed on campus. Juices will be confiscated and treated as “drug paraphernalia” for discipline purposes.

DIGITAL RESOURCES (Computers, internet access, data base, etc.)
Policy No. 6973 states that sending, receiving, and storing digital data using Tacoma School District resources (computers, telecommunications and/or networking equipment) represent powerful educational resources and potential for greater efficiency in delivering district services. The district encourages information dissemination, collaboration, innovation and experimentation through the ethical use of technology, and requires its staff and students to adhere to federal and state laws and district policies. Do not use digital resources for illegal, harassing, antisocial, or indecent purposes; do not access or process obscene, pornographic or other inappropriate materials. Any use of digital resources that violates school district policy will constitute disciplinary action.

DRESS CODE – Wilson acknowledges that a correlation exists between appropriate grooming, personal attire and student achievement. - Sunglasses are not permitted to be worn inside the buildings.
DRESS CODE CONTINUED

In order to minimize disruption and loss of instructional time, students should have extra clothing items, especially if they believe they may be asked to change. Please check your student's attire daily to assure that students maximize their learning opportunities and avoid attire that is not compliant with the Wilson Dress Code.

If a student has failed to comply with the dress code, the student may be referred to an administrator and may be denied entrance to class until the dress code violation is resolved.

If you have reason to believe an item may not be school appropriate... it probably isn’t. □□

In all cases, school administrators will make the final determination regarding specific dress code violations. Students are expected to be cooperative whenever their attire is determined inappropriate. Argumentative, hostile or defiant behavior will be subject to other disciplinary action and progressive consequences.

Spirit or Special Event Days
All Spirit wear must comply with the Wilson Dress Code. Students are forewarned not to wear face paint, masks, skin-tight or suggestive attire, sunglasses, or anything else that could cause a safety issue or a disruption to the learning environment.

In the case of headphones and ear buds, you may only have them obstructing one ear while anywhere on campus. Headphones should be removed entirely while you are in class. Cell phones should be turned off and put away during class time unless otherwise directed by a teacher to be used as a learning tool.

Any law enforcement officer authorized to make arrests can take a truant student into custody without a warrant and must then deliver the student to the parent or to school. (Policy 3121)

- Parents and/or guardians are asked to notify the attendance office(s) when a child will be absent and give the reason for the absence on the day of the absence. If a parent or guardian anticipate an extended absence, pre-approval is required by notifying the appropriate attendance office with a written notice three school days prior to the absence.

- If a student is absent, a note (or parent/guardian phone call/e-mail) is required with **specific reason, date, and signature of parent of guardian.** Excuses are to be turned into the attendance office on the morning following each absence. **Students must always check into their attendance office, even if they have no note, before going to class if they are arriving late or returning from an absence.**
ATTENDANCE POLICY CONTINUED

• All Tacoma Schools observe a closed campus policy. Students are to stay on the school grounds, in the designated areas, for the time they arrive until dismissed. **Students must have a parent call or bring a written parental request to the attendance office in order to leave campus for any reason.** Students will be subject to disciplinary action for leaving campus without permission. Calling in ahead of time allows us time to prepare an early dismissal and deliver it to your student for dismissal.

• When a student is marked absent from one or more classes, parents will be notified by use of a computerized system called School Messenger. This call will inform parents that their student has missed one or more classes for that day. This phone call keeps parents informed about their child and also complies with the BECCA Law.

Excused Absences:

• Personal illness, health condition, or medical or dental appointments; students absent five (5) days or more from school will need a note from a physician certifying the dates of illness.
• Family emergencies (examples include: fire; significant illness, death or funeral within the family, parent hospitalization.)
• Appearances in court when required by law
• Long-term suspensions that do not result in a loss of grades or credits; short-term suspensions, and emergency expulsions
• Approved family activities, as detailed in section above of this regulation
• Religious observance shall not have the absence count against attendance requirements for school-based reward, incentive or behavior management programs
• School-approved activities.

Unexcused Absences

• Absences for reasons not listed above are un-excused.
• Students returning to school without providing a valid excuse from a parent within one school day will have the absence recorded as un-excused.
• Schools may (but are not obligated to) provide the opportunity for make-up work due to unexcused absences.
• Unexcused absences may adversely affect a student’s grade.

Family Planned Absences

• A parent may request that a planned family activity be approved by contacting the attendance office in writing at least three (3) school days before the student’s absence.
• Students will bring their parent note to the attendance office and get a “pre-approval form” which they will have each of their teachers sign allowing them to make-up all work/tests while they are away.
• If approved, the family activity shall be considered an excused absence, provided all conditions in this section are met.
• Approval is at the discretion of the grade level principal. Approval or denial is on a student-by-student basis, and shall include a fair consideration of the impact of the planned absence on the student.
• The principal may require an agreement with the student, parent and teacher to complete special assignments and/or missed work.
• Failure to complete an agreed upon assignment will cause the absence to be considered unexcused.
The State Legislature updated the Compulsory School Attendance Law in the summer of 1995 and 1996, concerning students who are truant or have un-excused absences from school. The law requires all parents, guardians and Washington State residents having children between the ages of eight and eighteen to cause the child to attend a public or private school. Any person violating this requirement shall be fined not more than $25.00 for each day of un-excused absence from school unless the court decides otherwise.

Parents are to be informed when the student has failed to attend school after one or two un-excused absences via Wilson’s Connect Ed telephone message service and BECCA letter #1 mailed home.

- **3-5 Unexcused Absences** - BECCA letter #1 mailed home. Conference scheduled with parent, student, and their counselor.
- **5-7 Unexcused absences in a 30 day period or ten unexcused absences in a year** – BECCA Petition is filed with the courts. After a petition is filed with the courts, a court date is set and the student must appear and explain the unexcused absences. An order compelling school attendance is written by the courts. An unexcused absence that occurs, after the court order to attend is written and signed, allows the school to file a Progress Report with the courts.

Tacoma Public School
Discipline Policies

Wilson's discipline philosophy is that all students practice behaviors, which contribute to a positive school climate and do not interfere with teaching and learning. Students are expected to take ownership of their own behavior, follow directions, treat each other with kindness and respect, and learn the value of productive work and good citizenship. Doing so will help students become persons of good character. The goal is to help students acknowledge inappropriate behavior, to self-evaluate, to take ownership of choices and decisions, and to develop a plan for improving behavior.

Student Responsibilities & Exceptional Misconduct Definitions
Refer to “Students Rights, Responsibilities, and Regulations” booklet excerpts in Tacoma School District Policy section of this handbook. A complete copy of the “Students Rights, Responsibilities, and Regulations” Booklet is distributed annually to all families with students enrolled in Tacoma School District. These policies may also be found on the Tacoma Schools website at www.tacoma.k12.wa.us.

Search Policy
The Principal, Assistant Principal, and/or an authorized representative possess the authority to investigate and correct student misconduct. To maintain order and discipline in the school and to protect the safety and welfare of students and school personnel, school authorities may search a student and his / her effects and may seize any illegal or unauthorized materials discovered in the search.

As used in this policy, the term “unauthorized,” means any item dangerous to the health or safety of students or school personnel, any item considered disruptive to the functions and mission of the school, or any item described as unauthorized in the school rules cited in this handbook.

A student’s failure to permit searches and seizures as provided in this policy will be considered grounds for disciplinary action.

All searches by school employees shall be reasonably related to the objectives of the search and not excessively intrusive. In other words, a student’s person and personal effects are searched only when a school official has reasonable suspicion to believe that the student is in possession of illegal or unauthorized materials.

CODE OF PROHIBITED CONDUCT

NOTICE TO STUDENTS AND PARENTS
REQUIRED BY FEDERAL DRUG-FREE SCHOOLS
AND COMMUNITIES ACT OF 1989

Tacoma Public Schools prohibits the unlawful possession, use, or distribution of illicit drugs and alcohol by students on school premises or as part of school activities. Compliance with this rule is mandatory; students who disregard the prohibition will be long-term suspended or expelled. The possession and use of illegal drugs and the unlawful possession and use of alcohol are wrong and harmful to health and education. Tacoma Public Schools can assist in arranging access to drug and alcohol counseling, rehabilitation, and re-entry programs; for further information contact your school’s administrator or counselor.
EXCEPTIONAL MISCONDUCT

A student who engages in the following misconduct will be subject to corrective action or discipline. A student who engages in misconduct which constitutes exceptional misconduct as defined in Regulation 3241R will be subject to suspension or expulsion. A student may be expelled or long-term suspended until the end of the semester for the first offense without regard to progressive discipline when there is good reason to believe that other forms of corrective action would fail if employed or there is a significant risk of imminent violence without immediate and further interventions. Disciplinary transfers to another school may be made when warranted.

Standard discipline for a first violation of any Exceptional Misconduct offense is suspension. The Safety and Security Department may be notified for violations of offenses in this section. If appropriate, Tacoma Police will be notified. Special education student discipline will conform to all IDEA laws and regulations and may differ in degree, type, or severity if the behavior in question is determined in a Manifestation Determination Review to be a function of the student’s disabilities.

Discipline in Tacoma Public Schools is progressive. Actions listed throughout this section are recommendations, but severity may vary depending on each individual situation, frequency, grade level, and other contributing factors. The authority to determine any disciplinary action and maintain a safe and effective learning environment lies with school administration.

ALCOHOL

Possessing, using, or being under the influence of alcohol or substances containing alcohol is cause for suspension/expulsion. Selling or distributing alcohol or substances containing alcohol is also cause for suspension/expulsion.

Students may be disciplined for being under the influence of alcohol based on their behavior or appearance as determined by an administrator, school nurse, or other properly trained official, regardless of whether they have alcohol in their possession. Coming to school or a school event while under the influence is not allowed.

High school and middle school violators will be Emergency Expelled and/or short or long-term suspended up to the length of one semester. Students will be required to obtain an assessment by a certified drug and alcohol counselor and agree to comply with all required meetings and directives of the evaluator at the parent’s expense before there will be any re-admittance to any school. The student and parents/guardians must agree to fulfill the recommendation of the evaluator as soon as possible and submit verification to their administrator. The administrator may consider shortening or holding the student’s suspension in full or partial abeyance if the student complies with evaluation/treatment recommendations. The process shall ensure the discussion addresses the definition of sexual harassment and issues covered in this policy.

This policy shall be reproduced in each student, staff, volunteer and parent handbook. This policy is not intended to prohibit expression of religious, philosophical or political views, provided that the expression does not substantially disrupt the educational environment. Many behaviors that do not rise to the level of harassment, intimidation or bullying may still be prohibited by other district policies or building, classroom or program rules. The goals of this policy are to foster a safe and civil educational environment through training, prevention and intervention strategies and to support targeted student(s), victims and/or others impacted by the violation. Prevention
The district will provide students and staff with strategies aimed at preventing harassment, intimidation and bullying. In its efforts to educate students and staff, the district will seek partnerships with families, law enforcement and other community agencies.

Intervention
Interventions are designed to remediate the impact on the targeted student(s), victims and/or others affected by the violation, to change the behavior of the aggressor(s) and to restore a positive educational environment. The district will consider the frequency of incidents, developmental age of the student(s) and severity of the conduct when determining intervention strategies. Interventions will range from counseling, providing direction to change behavior, discipline, to law enforcement referrals.

Students, staff or other school visitors who engage in harassment, intimidation or bullying will receive appropriate discipline, sanctions or other appropriate interventions. False reports or retaliation for harassment, intimidation or bullying also constitute violations of this policy. elements of this policy. Annually, for the first three years after adoption of this policy, the superintendent or designee shall convene an ad hoc committee composed of representatives of certificated and classified staff, students, community members and parents/legal guardians to review the use and efficacy of this policy and regulation. No tolerance for weapons means that disciplinary action should be imposed for possession of weapons, but, with the exception of firearms, there is no specific sanction that must be imposed in every case. Rather, discipline should be imposed that is appropriate based on the circumstances.
Firearm – One Year Mandatory Expulsion

Carrying a firearm onto, or possessing a firearm on, school property, school-provided transportation, areas of facilities being used exclusively as school district property, or at school-sponsored events or activities is illegal. Tacoma Public Schools has a policy of no tolerance for weapons.

A laser pen may be considered to be a dangerous weapon if the light is deliberately aimed at another person’s eyes, whether or not there is intent to cause harm. (See Policy 3240R)

The normal discipline for a first-time possession of a dangerous weapon is a long-term suspension. The administrator can elect to give a lesser corrective action because of the particular facts and circumstances.

No one under 18 years of age may deliver such devices, nor may anyone 18 years or older deliver a spray device to anyone under 14 or to anyone between 14 and 18 who does not have parental permission. Persons younger than 14 years of age may not possess personal protection devices.

The following criteria should be considered to decide whether an act of misconduct is sufficiently connected to the educational process:

1. Location of the misconduct (proximity to school grounds or to a school activity);

(5) Extent to which the off-campus activity affects the environment or safety of the school (e.g., students are afraid to come to school or afraid at school because of it; it is disruptive to the school atmosphere in that special precautions or actions need to be taken to protect students and staff; the arrangements for the activity were made on campus but conducted off campus, such as drug sales, a fight or assault, etc.; or there are likely repercussions such as students from other schools or non-students coming onto the campus to effect retribution).

The District will respond to off-campus student speech that causes or threatens to cause a substantial disruption on campus or interference with the right of students to be secure and obtain their education. *Substantial disruption* includes, but is not limited to, significant interference with instruction, school operations or school activities, violent physical or verbal altercations between students, or a hostile environment that significantly interferes with a student’s education.

GENERAL INFORMATION IN AN EMERGENCY

It is extremely important that students and staff are familiar with the emergency procedures and that EVERYONE cooperates and follows the directions of those in charge.
TEACHER’S RESPONSIBILITIES

• Buddy System: Each teacher should check on his/her buddy teacher and provide coverage if necessary.
• Always account for students at the earliest possible time *whereabouts, i.e. attendance, bathroom, counselor, etc., have information available *attend to immediate health needs in classroom.
• EXCEPT for fire, never leave the classroom until officially released by the IC.
• For evacuation, always go directly to assigned area(s). (See maps)
• ALL TEACHERS ON PLANNING AND UNASSIGNED PARAS REPORT TO THE COMMAND CENTER ON THE FIELD. (see lunch procedures below)
• BATHROOMS: No bathroom access to staff or students until notified by the IC.

STUDENT’S RESPONSIBILITIES

• Students should always stay with the class unless specifically requested by the IC.
• Permission to use the bathrooms only after teachers have been notified by IC.
• Student Release: Gates 1 and 2 are the designated student release areas. -Students cannot request to be released: parent/guardian must initiate. -No students will be released until processed through Gates 1 or 2. -Students will be released only to their parent/guardians. (see map)
• If in a bathroom during an incident, student should return to current classroom and/or the nearest classroom depending on the incident. -STAY IN THE BATHROOM IF THE INCIDENT IS “INTRUDER ALERT”.

FIRE DRILL DURING LUNCH

- Students eating: Under the direction of the adult supervisors, each student should leave the lunchroom and exit out the door closest to the courtyard and assemble in the student parking lot.
- Students in the courtyard and surrounding areas, including hallways, library, etc. should immediately go to the nearest student parking lot(s) behind the gym, cafeteria, or auditorium. (see evacuation map)
- TEACHERS at lunch/planning should proceed to the designated areas (see evacuation map) and assemble your class and/or assist other staff and escort students to assigned location on the map.

EARTHQUAKE

- Students eating: Stay in the lunchroom and take cover beside the lunch tables or against an inside wall or doorway. Stay away from glass windows, and outside doors.
- Students already released and outside the lunchroom, move away from buildings and utility wires. Once in the open, stay there until the shaking stops. Wait for directions over the PA and/or bullhorn from the IC.
- Report to the closest classroom and follow the directions given by the classroom teacher.
- If the directions are to evacuate the building, find your teacher in the designated area on the fields. (behind 900/800 buildings-baseball fields, track/football fields, etc. area)
- TEACHERS at lunch/planning same as for fire drill, except assembly area is on the fields behind the school. (See map).
- STUDENTS AND STAFF, PLEASE STAY OFF THE TELEPHONE, ESPECIALLY CELL PHONES. THE PHONE LINES WILL BE NEEDED FOR EMERGENCY SITUATIONS ONLY.
INTRUDER

Tacoma School District Policies

Harassment, Intimidation and Bullying  Regulation 3207R

A. Introduction
Tacoma School District strives to provide students with optimal conditions for learning by maintaining a safe and civil educational environment where everyone is treated with respect and no one is harmed.

In order to ensure respect and prevent harm, it is a violation of district policy for a student to be harassed, intimidated or bullied by others in the school community, at school sponsored events or when such actions create a substantial disruption to the educational process. The school community includes all students, staff members, parent/legal guardians, family members and guests. Student(s) will not be harassed because of their race, color, religion, ancestry, national origin, gender, sexual orientation, including gender expression or identity, mental or physical disability, or other distinguishing characteristics such as, but not limited to, physical appearance, clothing or other apparel, socioeconomic status, marital status or weight.

District staff who observe, overhear, or otherwise witness harassment, intimidation or bullying, or to whom such actions have been reported, must take prompt and appropriate action to stop the harassment and to prevent its reoccurrence.

B. Definitions

Aggressor – is a student, staff member or other member of the school community who engages in the harassment, intimidation or bullying of a student.

Harassment, intimidation, or bullying– is an intentional electronic, written, verbal, auditory or physical act that:
  • physically harms a student; or
  • damages the student’s property; or
  • has the effect of substantially interfering with a student’s education; or
  • is so severe, persistent or pervasive that it creates an intimidating or threatening educational environment; or
  • has the effect of substantially disrupting the orderly operation of the school.

Conduct that is “substantially interfering with a student’s education” will be determined by, but not limited to, the following considerations: grades, attendance, demeanor, interaction with peers, participation in activities or other indicators.

Conduct that may rise to the level of harassment, intimidation or bullying may take many forms, including, but not limited to: slurs, rumors, jokes, innuendoes, demeaning comments, drawings, cartoons, pranks, ostracism, physical attacks, threats, gestures or acts relating to an individual or group whether written, verbal, auditory, or physically or electronically transmitted messages or images. There is no requirement that the targeted student actually possess the characteristic that is the basis for the harassment, intimidation or bullying.

Retaliation – is an act of harm or discrimination in response to a report of harassment, intimidation and/or bullying by anyone involved in the incident.

Staff – includes, but is not limited to, certificated employees, classified employees, school board members, substitute and temporary employees or volunteers.

Targeted Student – is a student against whom harassment, intimidation or bullying has allegedly been perpetrated.
C. Relationship to Other Laws
This procedure applies only to RCW 28A.300.285 – Harassment, Intimidation and Bullying prevention. There are other laws and procedures to address related issues such as sexual harassment or discrimination.

At least four Washington laws may apply to harassment or discrimination:
- RCW 28A.300.285 – Harassment, Intimidation and Bullying
- RCW 28A.640.020 – Sexual Harassment
- RCW 28A.642 – Prohibition of Discrimination in Public Schools
- RCW 49.60.010 – The Law Against Discrimination

The district will ensure its compliance with all state laws regarding harassment, intimidation or bullying. Nothing in this procedure prevents a student, parent/legal guardian, family member, guest, school or district from taking action to remediate harassment and/or discrimination based on a person’s gender or membership in a legally protected class under local, state or federal law.

D. Education/Prevention
1. Dissemination
   In each district facility, and on the district’s website, the district will prominently post information on reporting harassment, intimidation and bullying, the name and contact information of the school administrator to whom a report is made and the name and contact information for the district compliance officer. The district’s policy and regulation, upon request, will be available in each facility in a language that families can understand.

   Annually, the superintendent will ensure that a statement summarizing the policy and regulation is provided in student, staff, volunteer and parent/legal guardian handbooks. Additional distribution of the policy and regulation is subject to the requirements of Washington Administrative Code 392-400-226.

2. Student Education
   Annually students will receive age-appropriate education on the recognition of, prevention of and intervention strategies in response to harassment, intimidation or bullying. The presentation will include information about Incident Reporting.

3. Staff Training
   Staff will receive annual education and training on the school district’s policy and regulation, including staff roles and responsibilities, how to monitor common areas and the use of the district’s Incident Reporting Form for preventing and intervening in cases of harassment, intimidation and bullying while acting in the role of a Tacoma School District staff member.

4. District Strategies
   The district will implement a range of evidence-based prevention and intervention strategies designed to increase social competency, improve school climate and to reduce and ultimately eliminate harassment, intimidation and bullying in schools.

E. Staff Intervention
All staff members shall intervene when witnessing or receiving reports or complaints of harassment, intimidation or bullying. Minor incidents that staff are able to resolve immediately or incidents that do not meet the definition of harassment, intimidation or bullying, may be documented, but may not require further action under this regulation.
In cases where a targeted student experiences harassment, intimidation or bullying that threatens the student’s health and safety, the principal or designee may facilitate a meeting with the child’s parent/legal guardian to develop a safety plan to protect the student.

F. Compliance Officer
The district compliance officer will:
1. Serve as the district’s primary contact for regulations regarding harassment, intimidation and bullying.
2. Provide support and assistance to the principal or designee in resolving complaints.
3. Receive copies of all Incident Reporting Forms, Discipline Referral Forms (as it relates to harassment, intimidation and/or bullying incidents) and letters to parents/legal guardians providing the results of investigations.
4. Be familiar with the use of the student information system. The compliance officer may use this information to identify patterns of behavior and areas of concern.
5. Ensure implementation of the policy and regulation by overseeing the investigative processes, including ensuring that investigations are prompt, impartial and thorough.
6. Assess the training needs of staff and students to ensure successful implementation of district policy and regulation throughout the district and ensure staff and students receive annual training.
7. Provide the OSPI School Safety Center with notification of policy or regulation updates or changes on an annual basis.
8. In cases where, despite school efforts, a targeted student continues to experience harassment, intimidation or bullying that threatens the student’s health and safety, the compliance officer will facilitate a meeting between district staff and the child’s parent/legal guardian to evaluate and/or amend the safety plan to protect the student.

G. Reporting an Incident
The Incident Reporting Form will be available for students, families or staff to report incidents of harassment, intimidation or bullying. This form can be found on the district’s website, in school main offices and through school counseling departments.

Any student who believes he or she has been the target of harassment, intimidation or bullying, or any other person in the school community who observes or receives notice that a student has or may have been the target of harassment, intimidation or bullying, may report incidents verbally or in writing to any staff member in one of three ways:
1. Informal verbal;
2. Informal written; or
3. Formal written (Incident Reporting Form)

All staff are responsible for receiving informal or formal reports. Staff who initially receive an informal report of harassment, intimidation or bullying will attempt to resolve the incident. If the incident is resolved to the satisfaction of the parties involved, or if the incident does not meet the definition of harassment, intimidation or bullying, the incident may be documented, but may not require further action under this regulation.

All unresolved informal reports of harassment, intimidation or bullying will be recorded on the Incident Reporting Form and submitted to the principal or designee.

All formal reports of harassment, intimidation or bullying will be submitted to the principal or designee.

If the designee is the subject of the complaint, the Incident Reporting Form will be submitted to the principal. If the principal is the subject of the complaint, the Incident Reporting Form will be submitted to the appropriate district-level director.
H. Addressing Complaints/Reports

Step 1: Filing an Incident Reporting Form

In order to protect a targeted student from retaliation, a student need not reveal their identity on the Incident Reporting Form. The form may be filed anonymously, confidentially or non-confidentially.

Status of Reporter

a. Anonymous

Students, parent/legal guardian and/or community members may file a report without revealing their identity. Staff may not file anonymously. No disciplinary action will be taken against an alleged aggressor based solely on an anonymous report. Schools will offer methods for receiving anonymous, unsigned reports.

b. Confidential

Individuals may ask that their identities be kept secret from the alleged aggressor and other students. The district may not be able to take action against an alleged aggressor based solely on a confidential report. Individuals filing complaints shall be advised that the district will treat the complaint as confidential to the extent permitted by state and federal law and due process requirements, and that the district will implement the anti-retaliation requirements of the policy and regulation to protect complainants and witnesses.

c. Non-confidential

Complainants agreeing to make their complaint non-confidential will be informed that due process requirements may require that the district release all information regarding the complaint to any individuals involved in the incident. The information will be restricted to those with a need to know, both during and after the investigation.

Step 2: Investigations of Harassment, Intimidation and Bullying

All complaints of harassment, intimidation or bullying, which have not been immediately resolved by the supervising staff, will be investigated with reasonable promptness. Any student may be accompanied by a trusted adult, of their choosing, throughout the reporting and investigative processes.

a. Upon receipt of the complaint or incident report that alleges harassment, intimidation or bullying, the school or district designee will begin the investigation. If there is a clear threat of serious physical harm to the targeted student, the district will take appropriate action including, but not limited to, notifying law enforcement and informing the parent/legal guardian(s).

b. During the course of the investigation, the school or district will take reasonable measures to ensure that no further incidents of harassment, intimidation or bullying occur between the targeted student and the alleged aggressor. If necessary, the school or district will implement a safety plan for the student(s) involved. The plan may include, but not be limited to, implementing a school or district no contact order or agreement; changing seating arrangements and/or schedules for the alleged aggressor and/or the targeted student; identifying a staff member who will act as a safe person for the targeted student; and other measures.

c. Within two (2) school days after receiving the complaint or incident report, the principal or designee will notify the parents/legal guardians of the students involved that a complaint was received and direct the parents/legal guardians to the district’s policy and regulation on harassment, intimidation and bullying. If the notification, in the person’s judgment, would threaten the health and safety of the targeted student or the alleged aggressor, the person may initially refrain from contacting the parent/legal guardian. Staff who are mandatory reporters under Policy 3421, Reporting Child Abuse and Neglect Prevention, must report.
d. The investigation will include, at a minimum:
   - Interviews with:
     • the complainant, when known;
     • the targeted student(s);
     • the alleged aggressor(s);
     • other students, staff or individuals who may have knowledge of the alleged incident.
   - A review of any previous complaints involving either the targeted student or the alleged aggressor.

e. The principal or designee may determine that other steps must be taken before the investigation is complete.

f. The investigation will be completed no later than five (5) school days after the initial complaint or report. If additional time is needed the school or district will provide the affected parties with weekly updates.

g. No later than two (2) school days after the investigation has been completed and submitted to the compliance officer, the principal or designee shall respond in writing or in person to the parent/legal guardian of the targeted student and the alleged aggressor stating:
   • The results of the investigation.
   • Whether the allegations were found to be factual.
   • Whether there was a violation of policy.
   • The process for filing an appeal.

Because of the legal requirement regarding the confidentiality of student records, the principal or designee may not be able to report specific information to the targeted student’s parent/legal guardian about any disciplinary action taken unless it involves a directive that the targeted student must be aware of in order to report violations.

Step 3: Discipline/Corrective Measures
After completion of the investigation, the school or district designee will institute any corrective measures necessary within its authority on findings of harassment, intimidation or bullying. Corrective measures will be instituted as quickly as possible, but no later than five (5) school days after contact has been made to the parents/legal guardians regarding the outcome of the investigation. Depending on the severity of the conduct, corrective measures may include, but not be limited to, school counseling, education, discipline and/or referral to appropriate agencies. Corrective measures for a student who commits an act of harassment, intimidation or bullying will vary according to the nature of the behavior, the developmental age of the student and the student’s behavior history. Corrective measures that involve student discipline will be implemented according to district policy 3241, Classroom Management, Corrective Actions or Punishment. If the aggressor is appealing the imposition of discipline, the district may be prevented by due process considerations or a lawful order from imposing the discipline until the appeal process is concluded.

If the conduct was of a public nature or involved groups of students or bystanders, the school or district will consider school-wide training or other activities to address the incident.

If in an investigation a principal or designee found that a student knowingly made a false allegation of harassment, intimidation or bullying, that student may be subject to corrective measures, including discipline.
Step 4: Right to Appeal

1. If the targeted student and/or their respective parent/legal guardian is dissatisfied with the results of the investigation, they may appeal to the superintendent or his/her designee by filing a written notice of appeal within five (5) school days of receiving the written decision. Discipline, including corrective action(s) of the alleged aggressor is subject to appeal per policy 3241, Classroom Management, Corrective Actions or Punishment. The superintendent or his/her designee will review the investigative report and issue a written decision on the merits of the appeal within five (5) school days of receiving the notice of appeal.

2. If the targeted student, and/or their respective parent/legal guardian remains dissatisfied after the initial appeal to the superintendent or his/her designee, they may appeal to the school board by filing a written notice of appeal with the secretary of the school board on or before the fifth (5) school day following the date upon which the complainant received the superintendent’s or his/her designee’s written decision.

3. An appeal before the school board must be reviewed on or before the tenth (10) school day following the filing of the written notice of appeal to the school board. The school board will review the record and render a written decision on the merits of the appeal on or before the fifth (5) school day following its review, and shall provide a copy to all parties involved. The board’s decision will be the final district decision.

Step 5: Support for the Targeted Student

Students found to have been subjected to harassment, intimidation or bullying will have district support services made available to them as feasible and appropriate.

I. Immunity/Retaliation

Retaliation is prohibited. Any staff, student or individual who engages in retaliation will be subject to appropriate discipline. Students and staff who promptly report an incident of harassment, intimidation or bullying per the regulation are immune from a cause of action for damages arising from a failure to remedy a reported incident per RCW 28A.600.480.

J. Other Resources

Students, parents/legal guardians and families should use the district’s complaint and appeal procedures as a first response to allegations of harassment, intimidation or bullying. However, nothing in this regulation prevents a student, parent/legal guardian, school or district from taking action to remediate discrimination or harassment based on a person’s membership in a legally protected class under local, state or federal law. A harassment, intimidation or bullying complaint may also be reported to the following local, state or federal agencies:

Approved: 07/07/11

Harassment, Intimidation and Bullying
Policy 3207
PROHIBITION OF HARASSMENT, INTIMIDATION AND BULLYING
The board of directors is committed to a safe and civil educational environment for every student, staff member, parent/legal guardian, family member and guest, free from harassment, intimidation or bullying. A safe and civil educational environment prohibits harassment, intimidation or bullying by integrating training, prevention and intervention into schools and support sites through a coalition of students, staff members, parents/legal guardians, families and the community.
Harassment, intimidation or bullying means any intentional electronic, written, verbal, auditory or physical act, including, but not limited to one shown to be motivated by any characteristic of race, color, religion, ancestry, national origin, gender, sexual orientation, including gender expression or identity, mental or physical disability or other distinguishing characteristics such as, but not limited to, physical appearance, clothing or other apparel, socioeconomic status, marital status or weight, when the intentional electronic, written, verbal, auditory or physical act:
- Physically harms a student; or
- damages the student’s property; or
- has the effect of substantially interfering with a student’s education; or
- is so severe, persistent or pervasive that it creates an intimidating or threatening educational environment; or
- has the effect of substantially disrupting the orderly operation of the school.

Nothing in this section requires the affected student to actually possess a characteristic that is a basis for the harassment, intimidation or bullying.
“Intentional act” refers to the individual’s decision to engage in the act rather than the ultimate impact of the action(s).

Behavior/Expressions
Harassment, intimidation or bullying can take many forms including, but not limited to: slurs, rumors, jokes, innuendoes, demeaning comments, drawings, cartoons, pranks, gestures,
physical attacks, threats, hazing or other written, verbal, auditory, physically or electronically transmitted messages or images. This policy is not intended to prohibit expression of religious, philosophical or political views, provided that the expression does not substantially disrupt the educational environment. Many behaviors that do not rise to the level of harassment, intimidation or bullying may still be prohibited by other district policies or building, classroom or program rules. The goals of this policy are to foster a safe and civil educational environment through training, prevention and intervention strategies and to support targeted student(s), victims and/or others impacted by the violation. The district will intervene promptly and equitably within its authority on reports, complaints and grievances alleging harassment, intimidation or bullying that come to the district’s attention, either formally or informally.

Education
Comprehensive education of students and staff shall be implemented to support the district’s responsibility to create and maintain a safe, civil, respectful and inclusive educational environment.

Prevention
The district will provide students and staff with strategies aimed at preventing harassment, intimidation and bullying. In its efforts to educate students and staff, the district will seek partnerships with families, law enforcement and other community agencies.

Intervention
Interventions are designed to remediate the impact on the targeted student(s), victims and/or others affected by the violation, to change the behavior of the aggressor(s) and to restore a positive educational environment. The district will consider the frequency of incidents, developmental age of the student(s) and severity of the conduct when determining intervention strategies.

Interventions will range from counseling, providing direction to change behavior, discipline, to law enforcement referrals.

Students, staff or other school visitors who engage in harassment, intimidation or bullying will receive appropriate discipline, sanctions or other appropriate interventions.
False reports or retaliation for harassment, intimidation or bullying also constitute violations of this policy. Coercion, discrimination or reprisals taken against persons filing complaints or persons acting as witnesses to complaints shall result in appropriate disciplinary action or sanctions according to district policy or other applicable laws or regulations. Persons who knowingly file false allegations or report or corroborate false allegations shall also be subject to appropriate disciplinary action or sanctions according to district policy or other applicable laws or regulations.

In accordance with applicable laws and regulations, students, parents/legal guardians, families, staff and other interested parties shall be informed of this policy and the accompanying regulation pertaining to the filing of complaints. The policy shall be posted in each district building and information regarding it will be provided in student, staff and parent/legal guardian handbooks. District staff will be provided with appropriate information on the recognition and prevention of harassment, intimidation and bullying including electronically transmitted messages or images and their rights and responsibilities under this policy.

Compliance Officer
The superintendent will appoint a compliance officer as the primary district contact to receive copies of all formal and informal complaints and ensure policy implementation. **Sexual Harassment**  
Policy No.5266

It is the policy of Tacoma School District No. 10 to maintain a working and learning environment which provides for fair and equitable treatment for all its employees, students, parents, volunteers and others involved in school district activities, including freedom from sexual harassment. This policy also covers anyone else who engages in sexual harassment on school property or at school activities.

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors and other verbal and/or physical conduct of a sexual nature when:

- submission to the conduct or communication is either explicitly or implicitly made a term or condition of an individual’s employment, grades, work opportunity or other benefits;
- submission to or rejection of the conduct or communication is used as a factor for employment/grade decisions or other school-related decisions affecting an individual; and/or
- such conduct or communication has the purpose or effect of substantially interfering with an individual’s performance or creates an intimidating, hostile or offensive working/school environment.

Sexual harassment can occur adult-to-student, student-to-adult, student-to-student, adult-to-adult, female-to-male, male-to-female, female-to-female or male-to-male.

The district will take prompt, equitable and remedial action on reports and complaints that come to its attention, either through formal or informal channels. Allegations of criminal misconduct will be reported to the appropriate law enforcement agency, and suspected child abuse will be reported to law enforcement or Child Protective Services.

Individuals found to have been subjected to sexual harassment will have reasonable and appropriate school district services made available to them, and adverse consequences of the harassment shall be reviewed and remedied, if appropriate.

Engaging in sexual harassment will result in appropriate discipline or other appropriate sanctions against offending students, staff and contractors. Anyone else engaging in sexual harassment on school property or at school activities will have access to school property and activities restricted, as appropriate.
Retaliation against any person who makes, or is a witness in, a sexual harassment complaint is prohibited and will be subject to appropriate disciplinary action. Individuals who knowingly report false allegations of sexual harassment or corroborate false allegations will be subject to appropriate disciplinary action.

All staff members are responsible for receiving informal complaints and reports of sexual harassment and informing appropriate district personnel of the complaint or report for investigation and resolution. All staff members are also responsible for informing complainants of the formal complaint process. Staff members who fail to take prompt action to either report allegations or violation of this policy shall be subject to appropriate discipline. Administrators, managers and/or supervisors who fail to take prompt action upon receiving an allegation of sexual harassment shall be subject to action up to and including termination. The process for responding to allegations is outlined in the Discrimination Complaint Procedure (Regulation 5265R).

Information regarding this policy will be provided in student, staff and volunteer orientation. All administrators, managers and supervisors shall receive training in this policy. All students will receive information relative to this policy during the first semester of each school year. Each school shall develop a process for discussing the district’s sexual harassment policy. The process shall ensure the discussion addresses the definition of sexual harassment and issues covered in this policy.

This policy shall be reproduced in each student, staff, parent and volunteer handbook. All parents will receive copies of this policy as a part of the Student Rights, Responsibilities and Regulations handbook. This policy shall be posted in each district building in a place available to staff, parents, volunteers and visitors. A copy of this policy shall appear in any publication of the school or school district setting forth the rules, regulations, procedures and standards of conduct for the school or school district.

The superintendent shall make an annual report to the board of directors reviewing the use and efficacy of this policy and related procedures. Recommendations for changes to this policy, if applicable, shall be included in the report. Such training shall be conducted no less than every three years. New administrators shall receive training within ninety (90) days of their first day of work in the new position.

Questions concerning the application of this policy are to be referred to the deputy superintendent, P.O. Box 1357, Tacoma, WA 98401-1357, telephone: 253-571-1011. Individuals with complaints or concerns regarding application of this policy are encouraged to first contact the assistant to the superintendent. Complaints will be resolved in accordance with the Discrimination Complaint Procedure. An individual may also contact the U.S. Department of Education, Office for Civil Rights (OCR); Equal Employment Opportunity Commission (EEOC), Region X, Seattle; Washington State Human Rights Commission (HRC), Olympia; seek private legal advice or contact their local law enforcement agency, when appropriate. Student Responsibilities (excerpt from RRR document)

Behavior/attendance

1. **Alcoholic beverages, illegal drugs and controlled substances**—Possession, use, sale, distribution or being under the influence of alcohol, drugs, controlled substances, hallucinogens or items that are purported to be unlawful drugs or controlled substances during school time or school-sponsored activities, on school premises or transportation provided by a contractor or agent, are wrong and harmful, and are prohibited. Compliance with this prohibition is mandatory.

   **Students who use, possess or are under the influence of alcohol or controlled substances** or possess drug-related paraphernalia shall be subject to suspension. A pre-assessment within the suspension period will be required. A further evaluation may be recommended. The student and parents(s)/guardian(s) must agree to fulfill the recommendation and submit verification to the principal. The principal may consider shortening or holding the student’s suspension in full or partial abeyance if the student complies with evaluation/treatment recommendations. If recommended by the pre-assessment or the evaluation, the student may be required to become involved with the Student Assistance Program. For a second drug/alcohol offense, a long-term suspension will be imposed. Subsequent offenses may result in expulsion.

   **Students who distribute, possess with intent to deliver or sell alcoholic beverages, unlawful drugs, controlled substances or hallucinogens** or items that purport to be any of the foregoing shall be placed on emergency expulsion and either suspended for the remainder of the semester/quarter or expelled. If the violation comes near the end of the term and a long-term suspension is imposed, the suspension will be for a time equal to a semester/quarter. The appropriate law enforcement/juvenile agency will also be contacted. A pre-assessment during the suspension will be required for readmission to school. A further evaluation may also be required. The student and parents(s)/guardian(s) must agree to fulfill the recommendation of the evaluation and submit verification to the principal. The principal may consider shortening or holding the student’s suspension in full or partial abeyance if the student complies with evaluation/treatment recommendations. The student will be expelled for a second offense. School officials in charge will immediately remove anyone under the influence of alcohol or drugs from contact with other students and shall notify the parents or legal guardian. Circumstances may require the assistance of law enforcement agencies. (Policy 3241; Reg. 3240R)

2. **Attendance**—State law and district policy and regulations require daily and punctual attendance of all students, unless officially excused. Parents and students are both responsible for assuring attendance. Parents must provide the school with a valid reason for an absence before it can be excused. The following constitute valid reasons for excused absences: a personal illness; health condition or medical or dental appointment; an appearance in court when required by law; a disciplinary action (i.e., short-term suspension, long-term suspension that does not result in loss of grades or credits or emergency expulsion); religious observance; a family emergency approved by the principal; school-approved activities; and a planned family activity which has been pre-approved by the principal. In all cases, the school principal determines whether an absence is excused or unexcused. The school will inform the
parents/guardian upon the first occasion of a student’s unexcused absence. Upon the second occasion of an unexcused absence, the school will schedule a conference with the parents(s)/guardian(s).

Steps will be taken to attempt to eliminate or reduce the student’s absences. In accordance with the state’s mandatory attendance laws, if a student is absent without excuse five times within a month, the school district may file a petition with the juvenile court seeking the court’s jurisdiction over the student’s attendance in school; if a student is absent without excuse seven times within a month or 10 times within a school year, the school district will file a petition with the juvenile court. Any parents found to have violated the law may be fined up to $25 per day of unexcused absence from the school, and the student will be ordered to attend school. The court may also order the parents/guardian to provide community service at the student’s school in lieu of imposing a fine. A student who fails to comply with a court order to attend school may be found in contempt of court and may be placed in juvenile detention or receive alternative sentencing from the court. In addition to disciplinary action for nonattendance, absences may adversely affect a student’s grade if the teacher (a) has shown a relationship between attendance and instructional goals and objectives of the course; (b) advised the student and parents(s)/guardian(s) in writing and by posting at the beginning of the year; and (c) obtained approval from principal for guidelines to be used in classes in which attendance may adversely affect grades or credits. (Policy 3122, Reg. 3122R, RCW 28A.225)

3. **Bus rules** - The school district maintains a published statement of rules for students riding buses operated by the district, First Student and Pierce Transit. These rules are available in the individual school offices. **Riding is a privilege, not a right.** Students’ misconduct on a vehicle will be sufficient reason to discontinue providing bus transportation to those students involved and may result in other discipline. (Reg. 6605R)

4. **Closed campus** - Students shall remain on the school campus during the school day unless excused by the school office or by waiver approved by the superintendent. (RCW 28A.600.040)

5. **Cooperation** - Students will obey the lawful instructions of school district personnel and follow school and classroom rules. (Reg. 6605R)

6. **Discipline transfers** - A principal may initiate an intra-district transfer when there is clear indication that corrective action alternatives have failed and a transfer to another school or program might correct a student’s behavior and establish a positive educational experience. Due process requirements related to a student’s rights are to be followed when an intra-district transfer for disciplinary reasons is proposed. (Policy 3131)

7. **Dress and appearance** - Students should dress in a manner which reflects proper decorum. Dress and appearance, including, but not limited to, gang apparel, which may cause safety or health problems or which pose a threat of disruption, are not allowed. (Policy 4215)

8. **Identification** - All persons will, upon request, identify themselves to proper school authorities in the school building, on school grounds or at school-sponsored events.

9. **Off-campus events** - Students at school-sponsored, off-campus events shall be governed by school district rules and regulations and are subject to the authority of school district officials.

10. **Tobacco** - Possession or use of tobacco products is not permitted in school buildings, on school property, in district-owned or contracted vehicles or at off-campus events. (Policy 4215)

11. **Cellular phones/electronic devices** - A cellular phone/electronic device which causes a disruption to the educational process may be confiscated.

12. **Improper use of district equipment** - District resources and equipment, including, but not limited to, computers and Internet access, are to be used for district purposes. Improper use may subject the student to loss of privileges and other discipline, suspension or expulsion, as appropriate.
14. **Loitering**—A student shall leave the school campus at the official close of the school day unless permission to do otherwise has been granted.

The following are exceptional misconduct and can be cause for discipline, disciplinary transfer, suspension or expulsion, as well as reporting to law enforcement.
