Many photographers will submit photos on a disk directly to NOVA staff. If you used a studio photographer, please check with NOVA staff before December 20 to make sure that we received your photo.

* It is your responsibility to verify that your professional photo has been received.

If you are not using a studio photographer, your school ID photo taken by Leo’s on picture day will be used in the yearbook. If you did not have your picture taken on picture day, and you did not go to a studio photographer – your picture WILL NOT APPEAR in the yearbook unless you submit a usable photo of your own prior to December 20, 2019. If you would like our staff to take your photo, please contact Ms. Bradley at tbradle@tacoma.k12.wa.us PRIOR to December 3rd
